ASSIGNMENT OF INVENTION AND PATENT RIGHTS

I, Jason Asher Bernstein, a United States resident, (hereinafter, "I" or "Assignor"), in consideration of the equivalent of Ten U.S. Dollars (\$10.00) and other valuable consideration paid to me by ThinLine, LLC, a North Carolina limited liability company, maintaining its principal place of business at 105-6 Hood Street, Durham, North Carolina 27701 ("Assignee"), the receipt and adequacy of which is hereby acknowledged, do hereby sell, assign, and transfer unto Assignee, its successors and assigns, the entire right, title and interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property, and including the right to sue for past infringement and retain all damages and related awards, in a certain invention or improvement in the invention entitled:

WEDGE APPARATUS FOR A STIRRUP TO ALLEVIATE KNEE PAIN IN HORSEBACK RIDERS

described in an application filed in the United States Patent and Trademark Office on June 17, 2010, and accorded application number 12/817,573, which claims benefit of U.S. Provisional Patent Application No. 61/187,735, filed June 17, 2009 and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, and on said application, and any provisional, nonprovisional, divisional, continuation, continuation-in-part, reissue and other applications, based in whole or in part thereon. And I agree, for myself and my executors and administrators, with Assignee and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, with specifications and claims in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee its successors and assigns, the legal title to all such patents. I further authorize and grant an irrevocable limited power of attorney, being coupled to an interest, to Assignee's attorney, Jason A. Bernstein, or his designee, to execute on my behalf any documents necessary to evidence the invention ownership (including declarations) and assignments granted herein for the United States or any other country without further notice to me and to fill in the application number and filing date above when obtained, even if after execution of this Agreement.

And I do hereby authorize and request the Commissioner for Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal on the date set forth below.
