ASSIGNMENT

WHEREAS, Francis E. Cook, an individual, residing at 940 Highway TT, Marthasville, Missouri 63357, (hereinafter referred to as "Assignor"), is the owner of United States Patent No. 7,466,237, entitled "Door Suicide Alarm" (hereinafter referred to as the "Patent").

WHEREAS, Assignor desires to assign all right, title and interest in and to the Patent to The Door Switch, d/b/a Total Lock and Security, Inc., a Missouri corporation, having a place of business at 11772 Westline Industrial Drive, St. Louis, Missouri 63146, (hereinafter referred to as "Assignee"); and

WHEREAS, Assignee is desirous of acquiring all right, title, and interest in and to the Patent.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor hereby confirms any prior assignment to Assignee, and to the extent that Assignor has not already done so, agrees to assign, and hereby does, sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the inventions as described in the aforesaid Patent, to the aforesaid Patent itself, and all divisions, continuations, continuations-in-part, or other applications claiming priority directly or indirectly from the aforesaid Patent, and any United States or foreign Letters Patent, utility model, or other similar rights which may be granted thereon, including reissues, reexaminations and extensions thereof, and all copyright rights throughout the world in the aforesaid Patent and the subject matter disclosed therein, these rights, title and interest to be held and enjoyed by Assignee to the full end of the term for which the Letters Patent, utility model, or other similar rights, are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the applications, patents, utility models, or other similar rights, resulting therefrom, and the copyright rights;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights, and for copyright, in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention, the Patent, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth;

Assignor hereby covenants that no assignment, sale, license, agreement or encumbrance has been or will be entered into which would conflict with this Assignment.
