EMPLOYEE COPYRIGHT, PATENT AND CONFIDENTIAL INFORMATION AGREEMENT

For employees of Sony Computer Entertainment America Inc. ("SCEA") or any of its divisions

IN CONSIDERATION of my employment, or if now employed, the continuation of my employment, by SCEA:

A. I shall communicate to SCEA promptly and fully all works of authorship, derivative works, inventions, discoveries or improvements conceived or reduced to practice by me (alone or jointly with others) during the period of my employment, and I shall and hereby do assign to SCEA and/or its nominees all my right, title and interest in any copyrights, copyright applications, patents or patent applications based thereon, and I shall assist SCEA and/or its nominees (without charge but at no expense to me) at any time and in every proper way to obtain and maintain for its and/or their own benefit copyrights for all such works of authorship or derivative works and patents for all such inventions, discoveries and improvements anywhere in the world.

NOTICE: Pursuant to the provisions of any such law as may be applicable, if any, including (if applicable and without limiting the generality of the foregoing) Section 2872 of Article 3.5 of Chapter 2 of Division 3 of Labor Code of the State of California, you are hereby notified that your signing this Agreement as a condition of your employment or continued employment does not obligate you to assign to SCEA any works of authorship, derivative works, invention, discovery or improvement for which no equipment, supplies, facility or trade secret of SCEA was used and which was developed entirely on your own time, and which does not result from nor relate to any work performed by you for SCEA.

[REDACTED]

[REDACTED]

D. This Agreement shall not prejudice or be construed to prejudice any rights of authorship or inventorship which I had prior to my employment by SCEA and now have in the works of authorship and inventions described in full in the attached signed disclosures, which I represent are all of such works of authorship and inventions. I further represent that I am under no prior obligation which is inconsistent with this Agreement.

[REDACTED]

F. As used herein, "SCEA" shall mean SCEA, its successors or assigns and any of its or their subsidiaries existing during my employment.

G. All my obligations under paragraphs A through E of this Agreement shall survive the termination of my employment and shall be binding upon my heirs, executors, administrators or other legal representatives or assigns.

H. If any provisions of this Agreement shall contravene any statute or other provision of law or a state or other jurisdiction in which I perform services for SCEA then this Agreement shall be construed as if such provision is not contained herein insofar as enforcement of this Agreement against me in such state or other jurisdiction is concerned.

I. This Agreement replaces any existing Agreement between me and SCEA relating generally to the same subject matter; but such replacement shall not affect currently existing rights and obligations of either party arising out of any such prior Agreement which shall continue in effect for that purpose.

Signed at Oakland, CA, this 6 day of April 2005
