## RELEASE OF SECURITY INTEREST IN PATENTS

This Release of Security Interest in Patents is made as of September 20, 2010 by BROWN BROTHERS HARRIMAN & CO., as Agent, a New York limited partnership, with its place of business at 140 Broadway, New York, New York 10005 (the "Agent").

WHEREAS, RMSG LLC., a Delaware limited liability company (the "Grantor"), granted to the Agent, a security interest in all of its patents and patent applications, and the registrations thereof, all as described in that certain Patent Security Agreement and Mortgage, dated as of August 25, 2005, executed by the Grantor in favor of the Agent and filed for recorded in the United States Patent and Trademark Office on November 8, 2005 on Patent Reel/Frame No. 017186/0556; and the Grant of Security Interest, dated as of April 30, 2008, executed by the Grantor in favor of the Agent and filed and recorded in the United States Patent and Trademark Office on May 28, 2008 on Patent Reel/Frame No. 021007/0301 (collectively, the "Patent Security Agreement");

WHEREAS, the Agent acknowledges that the Secured Obligations (as such term is defined in the Patent Security Agreement) have been paid in full and the Credit Agreement (as such term is defined in the Patent Security Agreement) and the Patent Security Agreement are terminated and the Company has requested that the Agent, on behalf of itself and certain lenders (the "Lenders"), release its interest in the Collateral (as such term is defined in the Patent Security Agreement), including, without limitation, the patents and patent applications more fully identified on Schedule A attached hereto and made a part hereof; the license agreements identified on Schedule B attached hereto and made a part hereof; and any new Patent or License or benefits in any new or existing Patent or License not otherwise identified in Schedule A or B;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby:

1. releases to the Grantor any and all liens, security interests, right, title and interest of Agent pursuant to the Patent Security Agreement in the Grantor's now owned or existing and hereafter acquired or arising:

- (i) patent and patent applications, and the inventions and improvements described and claimed therein, including, without limitation, those patents and patent applications listed on Schedule A, and (a) the reissues, divisions, continuations, renewals, extensions and continuations -in-part thereof, and (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, (d) to the extent any of the foregoing patents or applications are or become subject to a terminal disclaimer, any patent which necessitated said terminal disclaimer, and (e) all rights corresponding thereto throughout the world (all of the foregoing patents and applications, together with the items described in the foregoing clauses (a)-(d), being sometimes hereinafter individually and/or collectively referred to as the "**Patents**");

(ii) license agreements with any other party in connection with any Patents or such other party's patents or patent applications, whether such Company is a licensor or licensee under any such license agreement, including, but not limited to, the license agreements listed on Schedule B, and the right upon the occurrence and during the continuance of a Event of Default (as such term is defined in the Credit Agreement) to use the foregoing in connection with the enforcement of the Agent's and Lenders' rights under the Credit Agreement (all of the foregoing being hereinafter referred to collectively as the "**Licenses**");

(iii) rights to any new Patent or License or benefits in any new or existing Patent or License not otherwise identified on the Schedules to the Patent Security Agreement; and,

2. authorizes and requests that the United States Patent and Trademark Office, and any other location where the security interest was filed note and record the existence of such release hereby given.
