**ASSIGNMENT OF INVENTION**

S I R :

WHEREAS, Midwest Business, Inc. (hereinafter, the "Midwest Assignor"), previously noted as existing under the laws of the State of Delaware according to records of the United States Patent and Trademark Office but now an Illinois Corporation, having an address at 3759 North Ravenswood, Suite 224, Chicago, IL 60613, has the entire right, title, and interest therein, thereto, and thereunder, including, patent rights and any applications and patents related thereto or claiming priority therefrom;

**First Assignment**

Effective April 23, 2010, pursuant to an agreement by and between Midwest Business, Inc.,

and Jove Equity Fund I, L.P., a Delaware limited partnership ("Jove") and Josh Metnick ("Metnick"), with respect to the entire right, title, and interest therein, thereto, and thereunder, including, patent rights and any applications and patents related thereto or claiming priority therefrom, confirms that for good and valuable consideration, the receipt of which by each is hereby acknowledged, the Midwest Assignor hereby acknowledges that it has sold, assigned, transferred, and set over, and by these presents does hereby sell, assign, transfer, and set over, unto Jove and Metnick, their respective successors, and assigns, the entire right, title and interest in, to, and under any and all inventions disclosed or described in the above-identified patent application and any and all rights thereto, including the above-identified patent application, any and all United States and foreign patents which may be granted pursuant thereto, and any and all United States and foreign applications, continuations, continuation-in-parts, divisions, renewals, and substitutes thereof, as well as any reissues or reexamination patent(s) and applications claiming priority therefrom; and hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent for said invention to Jove and Metnick, their respective successors, and assigns, in accordance with the terms of this instrument;

AND THE MIDWEST ASSIGNOR HEREBY covenants that it has full right to convey the entire interest assigned, and that it has not executed, and will not execute, any agreement in conflict herewith;

AND THE MIDWEST ASSIGNOR HEREBY further covenants that it respectively will communicate to Jove and Metnick, their respective successors, legal representatives, and assigns, any facts known respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, continuation-in-part, and reissue applications, make all rightful oaths, and generally do everything possible to aid the assignee, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for said invention.

Second Assignment

Subsequent to said First Assignment, effective April 23, 2010, pursuant to an agreement by and between Networking Research Group, Inc., a Delaware corporation (the "Assignee"), Jove, and Metrick, (Jove and Metrick are collectively referred to herein as the "Assignors"), with respect to the entire right, title, and interest therein, thereto, and thereunder, including, patent rights and any applications and patents related thereto or claiming priority therefrom, confirms that for good and valuable consideration, the receipt of which by each is hereby acknowledged, the Assignors hereby acknowledge that they have sold, assigned, transferred, and set over, and by these presents does hereby sell, assign, transfer, and set over, unto the Assignee, its successors, and assigns, the entire right, title and interest in, to, and under any and all inventions disclosed or described in the above-identified patent application and any and all rights thereto, including the above-identified patent application, any and all United States and foreign patents which may be granted pursuant thereto, and any and all United States and foreign applications, continuations, continuation-in-parts, divisions, renewals, and substitutes thereof, as well as any reissues or reexamination patent(s) and applications claiming priority therefrom; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent for said invention to the Assignee its successors, and assigns, in accordance with the terms of this instrument;

AND THE ASSIGNORS HEREBY covenant that they have full right to convey the entire interest assigned, and that they have not executed, and will not execute, any agreement in conflict herewith;

AND THE ASSIGNORS HEREBY further covenant that they respectively will communicate to the Assignee, its successors, legal representatives, and assigns, any facts known respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, continuation-in-part, and reissue applications, make all rightful oaths, and

generally do everything possible to aid the assignee, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for said invention.

THIS ASSIGNMENT of Invention is the entire and controlling agreement as to its subject matter. If any portion of this Assignment of Invention is determined to be invalid, illegal, or unenforceable under any present or future law by the final judgment of any court of competent jurisdiction, the remainder of this Assignment of Invention shall not be effected thereby. It is the intention of the undersigned that if any portion of this Assignment of Invention is determined to be invalid, a portion as similar in terms to such portion as is possible to be legal, valid, and enforceable shall be added in lieu thereof.

IN TESTIMONY WHEREOF, the parties to this Agreement respectively hereunto sets hand and seal on the day and year set opposite each signature.
