ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other considerations, the receipt of all of which we hereby acknowledge, we, **Elator Enterprises Inc.**, ("Seller") whose address is 240 Rolson Street, Oshawa, Ontario L1G 7Y9, confirm that we have sold and assigned and we do hereby sell and assign to **Elator Inc. formerly 2234505 Ontario Inc.** ("Buyer"), whose address is 1287 Boundary Road, Oshawa, Ontario L1J 6Z7, all our right, title and interest for all countries in and to the patents and patent applications identified in Schedule A hereto, and in and to the inventions disclosed therein, and in and to any divisions, continuations, continuations-in-part and divisions of such patents and patent applications, and in and to any further applications that may be filed for said inventions or any improvement thereof, and in and to any patents that may be granted from any of said applications or said inventions or improvements thereof and in and to any reissues and re-examinations thereof.

This assignment further includes all rights, damages and other remedies which the Seller may own in respect of any infringement of the patents assigned hereby, including without limitation the right to institute legal action against any person who has committed such an infringement and to obtain all of the remedies available in infringement actions.

This assignment further includes the right to invoke and claim for any application to which the Buyer has obtained the rights hereunder, the right to claim any and all rights of priority provided by any international invention relating to the protection of intellectual property. No further written or oral authorization, shall be needed for Buyer to claim any such priority rights.

Seller warrants that to the best of its knowledge it owns all intellectual property which is the subject matter of this assignment and has the right to assign such subject matter to Buyer, and that this assignment will not breach any written or oral agreement between Seller and any third party.

Seller further warrants that to the best of its knowledge, Buyer will have the right to use and exploit the intellectual property assigned hereunder without violating any intellectual property rights of a third party. To the best of Seller's knowledge, no claim of infringement has been threatened by or received from any third party in respect of the use and exploitation of the intellectual property assigned hereunder.

Seller agrees that it will, upon request by Buyer, without further consideration but at the expense of Buyer, do all such things and sign all such documents as Buyer may reasonably request in order to record this assignment in any government office in any country and to enable Buyer to prove, record and
