ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, the undersigned inventor, or one of the undersigned joint inventors:

Kyeong H. Yang of 830 Oakley Drive, Freehold, New Jersey 07728; and

Beibei Wang of 97 Sherwood Drive, Morganville, New Jersey 07751

hereby sell, assign, and transfer to Dialogic Corporation, a corporation of British Columbia having a place of business at 9800 Cavendish Blvd., 5th floor, Montreal, Quebec, Canada, H4M 2V9, its successors and assigns, all hereinafter referred to as the Assignee, my entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent identified as Attorney Docket No. DLGRM-008XX and entitled

EFFICIENT CODING COMPLEXITY ESTIMATION FOR VIDEO TRANSCODING SYSTEMS

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or are subsequently filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or are subsequently issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority; and further including any right to sue for past infringement;

Agree that to the extent not previously assigned, I do hereby assign to Assignee my entire right, title, and interest in and to any and all U.S. or non-U.S. provisional and non-provisional patent applications and any and all documents, filed with any governmental body, that the present application relies upon, either directly or indirectly, as a basis for, or in the chain of, a priority claim in the present application, including the right to claim priority of any and all such applications and documents in the chain of priority;

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to, but at the expense of said Assignee, I agree to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney, and other papers, by communicating to said Assignee all facts known to me relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said

inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;

Request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee; and

Covenant with said Assignee that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by me, and that full right to convey the same as herein expressed is possessed by me.
