ASSIGNMENT

KNOW ALL MEN BY THESE PRESENTS, THAT

WHEREAS, I, Jeffrey M. Isner, residing at 34 Brenton Road, Weston, Massachusetts 02193, respectively, having invented certain improvements in TREATMENT OF VASCULAR INJURY and

WHEREAS, St. Elizabeth's Medical Center of Boston, Inc., a corporation duly organized under the laws of the Commonwealth of Massachusetts, and having a regular and established place of business at 736 Cambridge Street, Boston, Massachusetts 02135, for the benefit of itself, its successors and assigns, all inclusively hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title and interest in and to said invention and to any and all Letters Patent of the United States and of all other countries which may be granted therefor; and

NOW, THEREFORE, BE IT KNOWN THAT FOR and in consideration of one dollar and other valuable considerations paid to me by the Assignee St. Elizabeth's Medical Center of Boston, Inc., the receipt of which is hereby acknowledged, I do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest for the United States of America and for all foreign countries in and to any and all improvements which are disclosed in the application for United States Letters Patent entitled: TREATMENT OF VASCULAR INJURY invented by me and described in said application filed in the United States Patent and Trademark Office on October 2, 1995

and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and including all rights of priority resulting from the filing of any such applications.

I agree that said Assignee may apply for and receive Letters Patent in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements, and

for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said U.S. application(s) to said Assignee, its successors and assigns.

I covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreements affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
