ASSIGNMENT

Andreas Dimitriadis, residing at In den Weingärten 14/1, D-73547 Lorch, Germany, a citizen of Germany; and David Baur, residing at Sachsenweiler Strasse 16, D-71522 Backnang, Germany, a citizen of Germany, (hereafter jointly and severally referred to as the undersigned), are the inventors of

SEWING MACHINE

for which the undersigned have executed an application for United States Letters Patent, U.S. Patent Application No. 29/368,032, filed August 17, 2010.

BERNINA International AG, a Swiss corporation, having a principal place of business at Seestrasse 161, CH-8266 Steckborn, Switzerland, (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrant that the rights and property herein conveyed are free and clear of any encumbrance.
