- any reissue or reissues of such patents;

the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which such patents respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this Assignment, sale and transfer not been made.

The Assignor hereby covenants that he: has full right to convey the entire interest herein assigned; has not encumbered the rights and properties transferred by this Assignment in any manner; and has not executed and will not execute any agreement to transfer any rights in the Inventions and/or the Application(s) to anyone other than the Assignee; or that is otherwise in conflict herewith.

The Assignor promises that he shall:

The Assignor hereby irrevocably designates and appoints the Assignee and its duly authorized officers and agents, and their successors, as his or her agents and attorneys-in-fact, to act on the Assignor's behalf and instead of the Assignor, to execute and file applications to patent the Inventions in all countries, and to do all other proper lawfully-permitted acts to further the assignment, prosecution and issuance of patents for the Inventions with the same legal force and effect as if executed by the Assignor. This power of attorney shall be deemed coupled with an interest and is irrevocable.
