## Assignment

Whereas, We, **Marcia GRADDON** of Centreville, Virginia, and **Steven NEUFELD** of Washington, District of Columbia, hereinafter called assignors, have invented certain improvements in ANKLE BRACE AND METHOD OF USING SAME and executed an application for Letters Patent of the United States of America therefor on August 6, 2010; and

Whereas, **N&G Bracing Innovations, LLC**, of 3551 Springland Lane, NW, Washington, District of Columbia 20008 (assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

We, the above named assignors, hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein for the United States of America, including all divisions, and continuations thereof, and all Letters Patent of the United States that may be granted thereon, and all reissues thereof, and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, and we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and we hereby agree that the assignee may apply for foreign Letters Patent on the invention and we will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee.

We hereby authorize and request our attorneys **SUGHRUE MION, PLLC** of 2100 Pennsylvania Avenue, NW, Washington, DC 20037-3213 to insert here in parentheses (Application number 12/768,051 and Confirmation number 4857, filed April 27, 2010) the application number and filing date of said application when known.
