5.1 Perfection of Security Interest. The Borrower shall execute and deliver such documents as Lender deems necessary to create, perfect and continue the security interests in the Collateral contemplated hereby.

5.2 Use of Collateral. The Collateral will not be used for any unlawful purpose or in any way that will void any insurance required to be carried in connection therewith. The Borrower will keep the Collateral free and clear of liens and adverse claims and, as appropriate and applicable,

will keep it in good condition and repair, and will clean, shelter, and otherwise handle and maintain the Collateral in all such ways as are considered good practice by owners of like Collateral.

5.3 Insurance of Collateral. The Collateral will be insured at the Borrower's sole cost against all risks commonly insured by owners of like collateral. The Borrower agrees to pay when due all premiums for such insurance and all taxes, license fees and other charges in connection with the Collateral.

5.4 Indemnification. The Borrower shall indemnify Lender against all loss, claims, demand and liabilities of every kind caused by the Collateral, except for any loss, claims, demand or liabilities arising out of the negligent acts or omissions of Lender.

6. Events of Default. The occurrence of any of the following events shall constitute an "Event of Default" under this Security Agreement:

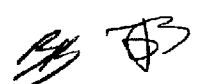

6.1 Default on Note. Default by the Borrower in payment under any Note when due, by acceleration, or otherwise, of any principal or interest of any such Note, and the failure to cure such default within the applicable cure period.

6.2 Inaccuracy of Representations. Any representation or warranty made in connection with the execution and delivery of any agreement or arrangement to provide services, the Note, this Security Agreement, or in any certificate or instrument furnished pursuant thereto or hereto, shall at any time prove to have been materially incorrect when made.

6.3 Bankruptcy. (i) Borrower shall be or become insolvent, or admit in writing any of the Borrower's inability to pay its debts as they mature; (ii) the Borrower shall apply for, consent to, or acquiesce in the appointment of a trustee or receiver for the Borrower or for a substantial part of the property of the Borrower or, in the absence of such application, consent or acquiescence, a trustee or receiver shall be appointed for the Borrower or for a substantial part of the property of the Borrower and shall not be discharged within a period of 30 days; (iii) any bankruptcy, reorganization, debt arrangement or other proceedings under any bankruptcy or insolvency law or a dissolution or liquidation proceeding shall be instituted with respect to the Borrower, shall be consented to or acquiesced in by the Borrower or shall not be dismissed, or, if contested, stayed within a period of 30 days; or (iv) any judgment, writ of attachment or execution or any similar process shall be issued or levied against a substantial part of the property of any of the Borrower and shall not be released, stayed, bonded or vacated within a period of 30 days after its issue or levy.

6.4 Default on Other Obligations to Lender. The Borrower shall default in the payment when due of any other amount payable by the Borrower to Lender and such default shall not be cured within five days of the date of such default, or shall default in the performance of any obligations of the Borrower to Lender under this Security Agreement and such default shall not be cured within thirty days of the date of such default.

7. Remedies on Default. Upon the occurrence of an Event of Default, Lender shall have all rights, privileges, powers and remedies provided by law and this Security Agreement, which

rights, privileges, powers and remedies shall be cumulative, and no single or partial exercise of any of them shall preclude the further or other exercise of the same or any of them. By way of example and not by way of limitation, Lender may, pursuant to this Section 7, exercise any one or all of the remedies hereinafter set forth:

7.1 Payment Under Note. The Lender may by notice hereunder declare the aggregate unpaid principal balance of all of the Notes to be immediately due and payable; and thereupon all such amounts shall be and become immediately due and payable to Lender.

7.2 Possession of Collateral. The Lender may take possession of all Collateral covered hereby (which Collateral the Borrower will assemble and make available to Lender) and complete the processing of Inventory using the employees, facilities, equipment and other property of the Borrower to do so, all at the Borrower's expense and without compensation to the Borrower.

7.3 Use, Operation and Sale of Collateral by Lender. The Lender may use, operate, consume and sell the Collateral in its possession as appropriate for the purpose of performing the Obligations. The Borrower and Lender agree that public or private sales, for cash or on credit, to a wholesaler or retailer or user of collateral of the types subject to this Security Agreement, or at public auction, are all commercially reasonable since differences in the sale prices generally realized in the different kinds of sale are ordinarily offset by the differences in the costs and credit risks of such sales.

8. Payments After an Event of Default. All payments received and amounts realized by the Lender pursuant to Section 7, including all such payments and amounts received after the Lender has declared the entire unpaid principal and interest amount of one, some or all the Notes and/or Obligations to be due and payable, as well as all payments or amounts then held or thereafter received by the Lender as part of the Collateral while an Event of Default shall be continuing, shall be promptly applied and distributed by the Lender in the following order of priority:

(i) first, to the payment of all costs and expenses, including legal expenses and attorneys fees, incurred or made hereunder by the Lender, including any such costs and expenses of foreclosure or suit, if any, and of any sale or the exercise of any other remedy under Section 7, and of all taxes, assessments or liens superior to the lien granted under this Security Agreement, except any taxes, assessments or other superior lien subject to which any said sale under Section 8 hereof may have been made;

(ii) second, to the payment to Lender the amount then owing or unpaid under the Obligations including the Notes; and

(iii) third, to the payment, of the balance or surplus, if any, to the Borrower, the Borrower's successors and assigns, or to whosoever may be lawfully entitled to receive the same.

9. Power of Attorney. The Borrower hereby appoints Lender and each of them the attorney-in-fact of the Borrower to prepare, sign and file or record, for the Borrower in the Borrower's name, any financing statements, applications for registration and like papers and to take

any other action deemed by Lender necessary or desirable in order to perfect the security interest of Lender hereunder, and, to perform any obligations of the Borrower hereunder, at the Borrower's expense, but without obligation to do so.

10. **Further Assurances.** Borrower shall take such further action and execute such further documents as may be necessary or desirable to perfect the security interests granted hereunder including, without, limitation, duly executing and delivering one or more instruments to be filed in the United States Patent and Trademark Office perfecting this security interest in those certain patents and patent applications set forth on Attachment 1.

11. **Lender's Right to Cure; Reimbursement.** In the event the Borrower should fail to do any act as herein provided, Lender may, but without obligation to do so, without notice to or release of the Borrower from any obligation hereof, make or do the same in such manner and to such extent as Lender may deem necessary to protect the Collateral including, without limitation, the defense of any action purporting to affect the Collateral, or the rights or powers of Lender hereunder, all at the Borrower's expense.

12. **Assigns and Successors.** This Security Agreement, together with the covenants and warranties contained in it, shall inure to the benefit of Lender, its successors and assigns, and shall be binding upon the Borrower and its respective successors and assigns.

13. **Presentment, etc.** Presentment, protest, notice of protest, notice of dishonor, and notice of nonpayment are waived with respect to any proceeds to which Lender is entitled hereunder and any rights to direct the application of payments for security for indebtedness of the Borrower hereunder, or indebtedness of customers of the Borrower, and any right to require proceedings against others or to require exhaustion of security, are waived.

14. **Notices.** All notices, payments, and other communications called for or required by this Security Agreement shall be in writing and shall be deemed to have been validly given on the date of service if served personally on any party to whom notice is to be given, or on the fifth day after mailing if mailed to any party to whom notice is to be given by first class mail, prepaid, and properly addressed to the party to be notified.

15. **Governing Law.** This Security Agreement shall be governed by the laws of the State of California applicable to contracts entered into and wholly to be performed in California by California residents.

16. **Enforcement.** If any portion of this Security Agreement be determined to be invalid or unenforceable, the remainder shall be valid and enforceable to the maximum extent possible.

17. **Headings.** The headings set forth in this Security Agreement are for the convenience of the parties and shall not by themselves determine the interpretation or construction of this Security Agreement.

18. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same

instrument.

19. **No Rules of Construction.** The parties hereto intend that no rules of construction be implied or employed in the interpretation of this Security Agreement and that for all purpose all parties hereto be deemed to be joint authors hereof.
