(hereinafter referred to as ASSIGNORS), having post office addresses as listed above next to our names, are the joint inventors of an invention entitled "**PDE10 INHIBITORS AND RELATED COMPOSITIONS AND METHODS**," as described and claimed in the specification for which an application for United States letters patent was filed on **May 20, 2008**, and assigned Application No. **12/124,051**. This application is a continuation-in-part of U.S. Patent Application No. 11/944,270 filed November 21, 2007, which claims the benefit under 35 U.S.C. §119(e) of U.S. Provisional Patent Application No. 60/866,745 filed November 21, 2006 and U.S. Provisional Patent Application No. 60/896,386 filed March 22, 2007.

WHEREAS, **Omeros Corporation** (hereinafter referred to as ASSIGNEE), a corporation of the State of Washington having a place of business at 1420 Fifth Avenue, Suite 2600, Seattle, Washington 98101, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including

the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding letters patent, or for the purpose of protecting title to said invention or letters patent therefor.

This Assignment is effective as of May 20, 2008.

This Assignment is accepted and agreed to by the ASSIGNEE:
