**TERMINATION AND RELEASE OF
SECURITY INTEREST IN PATENT RIGHTS**

TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENT RIGHTS (this "Termination and Release"), dated as of August 3, 2010 by **BANK OF AMERICA, N.A.** (the "Lender") with a place of business at One Centerpointe Drive, Suite 500, Lake Oswego, Oregon 97035, in connection with the grant of security interests in certain patents by **SNAPWARE CORPORATION**, a California corporation (the "Assignor"), in favor of the Lender.

WITNESSETH:

WHEREAS, the Assignor entered into an agreement with the Lender which was recorded in the Patent Division of the United States Patent and Trademark Office on August 19, 2008 at Reel 021411, Frame 0078 for the purpose of providing certain patents as collateral security for the payment and performance of certain obligations of the Assignor to the Lender; and

WHEREAS, the Lender now desires to terminate and release the entirety of its security interest in the Patent Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Lender hereby agrees as follows:

1. Definitions. The term "Patent Collateral", as used herein, shall mean all of the Assignor's right, title and interest of every kind and nature as of the date hereof in the Assignor's patents (including, without limitation, those items listed on Schedule A hereto, (each, a "Patent")), together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Patent.

2. Release of Security Interest. The Lender hereby terminates, releases and discharges its security interest in the Patent Collateral, together with all products and proceeds thereof, including without limitation, any claims by Assignor against third parties for past, present or future (a) infringement or dilution of any Patent, or (b) injury to the goodwill associated with any Patent, without representation, warranty or recourse of any kind or nature (together with the Patent Collateral, the "Patent Rights").

3. Reassignment. The Lender hereby reassigns, grants and conveys to Assignor, without any representation, recourse or undertaking by the Lender, all of the Lender's right, title and interest in and to the Patent Collateral and the Patent Rights.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the undersigned has executed this Termination and Release
by its duly authorized officer as of the date first above written.
