8. Filing Requirements; Other Financing Statements. Borrower represents and warrants that (i) none of its Equipment is covered by any certificate of title, (ii) none of the Collateral consists of property subject to any statute or treaty referred to in Section 9-302(3) of the UCC (other than certain Intellectual Property), (iii) none of the Collateral is of a type for which security interests or liens may be filed under any United States federal statute, except for the Intellectual Property specified on Schedule II, and (iv) no financing statements describing any portion of the Collateral have been filed in any jurisdiction except for (a) financing statements which have lapsed or have been terminated or financing statements naming Lender as

secured party or (b) financing statements evidencing liens securing the indebtedness under the Seller Notes, the Equipment Note, the 2008-A Term Note and the 2008-B Term Note.

9. Maintenance and Operation of Tangible Property. Borrower shall maintain all Inventory in good repair, salable condition and free from defects in all material respects, and Borrower shall maintain all Equipment and Fixtures in good condition, repair and working order in all material respects, ordinary wear and tear excepted, and maintain and operate all Equipment and Fixtures in material compliance with all applicable laws, ordinances, regulations, decrees and orders and all reasonable requests of insurers of such property.

10. Receivables; Right of Collection.

(a) Borrower represents and warrants that the names of the account debtors and contract obligors, the amounts owing, the due dates and other information with respect to all Receivables are and shall be correctly stated in all material respects in all records of Borrower relating thereto and in all invoices and reports with respect thereto furnished to Lender by Borrower from time to time.

(b) Except as otherwise provided in this Agreement, Borrower shall collect and enforce, at its expense, all amounts due or hereafter due with respect to all Receivables in accordance with applicable law and commercially reasonable practices and procedures. Promptly upon request from Lender, Borrower shall deliver to Lender duplicate copies of all invoices rendered to account debtors in respect of all Accounts.

(c) If an Event of Default shall occur and be continuing or shall exist, Lender shall have the right upon written notice to Borrower to collect and dispose of all Proceeds arising from all Receivables and to apply such Proceeds to the payment of the Secured Obligations as determined in Lender's sole discretion. At any such time and upon such written notice to Borrower, Lender may (i) notify account debtors and contract obligors of the grant to and creation in favor of Lender of the security interest in the Receivables and the Proceeds thereof under this Agreement, (ii) direct such account debtors and contract obligors to make any payments from time to time due in respect of any such Receivables directly to Lender at such places as it directs, and (iii) assume entire control over all of the Proceeds of such Receivables. Lender, its officers, employees and authorized agents are hereby irrevocably appointed attorneys-in-fact of Borrower to endorse any check or draft which may be payable to Borrower to collect the Receivables and any Proceeds thereof, which appointment is irrevocable and coupled with an interest. Upon receipt of written notice from Lender of the revocation of Borrower's right of collection, Borrower shall promptly remit directly to Lender all Proceeds of Receivables then or subsequently in its possession, and any collections and receipts with respect to such Proceeds and Receivables shall not be commingled with any other assets or funds of Borrower, but shall be segregated from the assets and funds of Borrower and held separate and apart in a collateral account pursuant to a collateral agreement in form and substance satisfactory to Lender, and shall be held in trust by Borrower as a fiduciary for the benefit of Lender.

(d) Borrower shall not make or agree to make any discount, credit, rebate or other reduction in the original amount owing on any Receivable or accept in satisfaction of any Receivable less than the original amount thereof, except that prior to the occurrence of an Event

of Default, Borrower may in the ordinary course of business allow adjustments to the original amount owing on a Receivable in accordance with Borrower's customary and commercially reasonable credit policies and collection practices in effect from time to time. Without the prior written consent of Lender in each case, Borrower shall not make any sale to any customer on a bill and hold, guaranteed sale, sale or return, sale on approval, consignment or any other repurchase or return basis, or re-date any invoice or make sales on extended dating beyond that customary in its industry, or otherwise change the terms of sale customarily offered to its customers. If Borrower becomes aware of any event or circumstance materially detrimental to any account debtor's credit, it shall promptly advise Lender thereof, and Borrower shall promptly notify Lender of any change in its credit policies and collection practices and shall not make any such change which Lender determines in its reasonable discretion to be materially adverse to the interests of Lender in the Receivables.

11. Vehicles; Bailments; Legal Compliance.

(a) Borrower shall give Lender written notice of its acquisition of any vehicle, tractor or trailer covered by a certificate of title or similar evidence of ownership, and upon request of Lender, Borrower shall promptly execute and deliver any instruments and documents that may be necessary, or that Lender may request, to perfect its security interest in all property subject to a certificate of title.

(b) If any of Borrower's Inventory or Equipment is in the possession or control of any warehouseman or any of Borrower's processors or other bailees, Borrower shall notify such warehousemen, processors and other bailees in writing (with a copy to Lender) of Lender's security interest in such property and, upon Lender's request, instruct them to hold all such Inventory and Equipment for Lender's account and subject to Lender's instructions. If more than \$25,000 in fair market value of Inventory and Equipment is held by any such bailee, Borrower shall file a financing statement in the appropriate jurisdiction against such bailee in a form appropriate for the underlying transaction.

(c) Borrower represents and warrants that none of its Inventory has been or shall be produced in violation of any provision of the Fair Labor Standards Act of 1938 (29 U.S.C. § 201 et. seq.) or in violation of any other applicable law.

12. Insurance; Risk of Loss.

(a) Borrower shall maintain, at its expense, such public liability and third party property damage and business interruption insurance in such amounts and with such deductibles as is reasonably acceptable to Lender. Borrower shall cause Lender to be named hereunder as an additional insured and loss payee under all such policies, and Borrower shall deliver to the Lender all original insurance policies, or certificated copies thereof, and evidence of payment of all premiums with respect thereto. Each such insurance policy shall be in form and substance satisfactory to Lender and shall (i) provide that at least 30 days prior written notice of any material change to or any cancellation or lapse of such policy must be given to Lender by the insurer, (ii) provide that no act or default by Borrower under such policy shall impair Lender's right of recovery thereunder, and (iii) provide that the insurer shall, as against Lender, waive any

rights of subrogation to the extent that the named insured has waived such rights (and Borrower hereby irrevocably and unconditionally waives any right of subrogation against Lender).

(b) The risk of loss of, damage to or destruction of the Inventory, Equipment, Fixtures and other Collateral shall be on Borrower. Borrower shall maintain, at its expense, insurance with respect to the Collateral against such risks and casualties, in such amounts and with such insurers as is reasonably acceptable to Lender; provided that Borrower shall insure the Collateral in an amount at least equal to the lesser of (i) the outstanding amount of the Secured Obligations, and (ii) the full insurable value of the Collateral. Each such insurance policy shall be in form and substance satisfactory to Lender and shall (w) contain a loss payable clause and a lenders' loss payable endorsement in favor of Lender as its interest may appear, (x) provide that at least 30 days prior written notice of any material change to or any cancellation or lapse of such policy must be given to Lender by the insurer, (y) provide that no act or default by Borrower under such policy shall impair Lender's right of recovery thereunder, and (z) provide that the insurer shall, as against Lender, waive any rights of subrogation to the extent that the named insured has waived such rights (and Borrower hereby irrevocably and unconditionally waives any right of subrogation against Lender). Borrower shall deliver to the Lender all original insurance policies, or certificated copies thereof, and evidence of payment of all premiums with respect thereto.

(c) If Borrower fails to obtain and keep in full force and effect the insurance coverage required hereunder or fails to pay the premiums therefor when due, Lender may (but shall not be obligated to) do so for the account of Borrower (without waiving or releasing any obligation or default of Borrower hereunder), and the cost thereof shall be added to the Secured Obligations and shall be payable upon demand with interest accruing thereon at the default rate stated in the 2010-A Term Note.

(d) Borrower hereby assigns and sets over unto Lender all moneys which may become payable on account of such insurance (including, without limitation, any returned or unearned premiums which may be due upon cancellation of any such insurance which is not promptly replaced by comparable insurance) and directs the insurers to pay Lender any amount so due; provided that so long as no Event of Default shall have occurred and be continuing or shall exist, any such moneys not exceeding \$50,000 in the aggregate may be used by Borrower to substantially repair or to replace with substantially comparable Collateral the particular lost, damaged or destroyed Collateral within 180 days of receipt of such insurance proceeds. Lender, its officers, employees and authorized agents are hereby irrevocably appointed attorneys-in-fact of Borrower to make, settle and adjust all claims under Borrower's insurance policies and to endorse any draft or check which may be payable to Borrower in order to collect the proceeds of such insurance or any returned or unearned premiums with respect thereto, which appointment is irrevocable and coupled with an interest.

13. Rights in Collateral.

(a) Borrower represents, warrants and covenants that it has and shall have at all times indefeasible title to all Collateral, free and clear of all liens, claims, charges and encumbrances (except for liens securing the indebtedness under the Seller Notes, the Equipment Note, the 2008-A Term Note, and the 2008-B Term Note), and Borrower shall defend such title against the

claims and demands of all other Persons. Borrower represents and warrants that this Agreement creates a valid security interest in the Collateral which, upon filing of proper financing statements in the jurisdictions and the taking of all other steps regarding perfection specified on Schedule III attached hereto, shall constitute a valid first priority perfected lien on and security interest in the Collateral, subject only to liens securing the indebtedness under the Seller Notes and liens which are accorded priority by statute. Borrower represents and warrants that all Receivables are valid, binding and enforceable in accordance with their respective terms and that no party to any Receivable is in default with respect thereto, except to the extent of allowances for uncollectible accounts reflected on the financial statements of Borrower in accordance with generally accepted accounting principles consistently applied.

(b) Except for sales of Inventory and expenditures of cash in the ordinary course of business and except as otherwise expressly permitted pursuant to the 2010-A Term Note or this Agreement, Borrower shall not sell, transfer, assign, convey or otherwise dispose of, or extend, amend, terminate or otherwise modify any term or provision of, any Collateral, any interest therein or any Proceeds thereof, nor waive or release any right with respect thereto, without the prior written consent of Lender.

(c) Borrower assumes full responsibility for taking any and all steps to preserve its rights with respect to the Collateral against all prior parties. Lender shall be deemed to have exercised reasonable care in the preservation and custody of the portion of the Collateral as may be in Lender's possession if Lender takes such action as Borrower shall reasonably request in writing; provided, such requested action shall not, in the judgment of Lender, impair Lender's prior security interest in such Collateral or its rights in or the value of such Collateral, and provided further that such written request is received by Lender in sufficient time to permit Lender to take the requested action. In the absence of such written request, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that to which Lender accords its own property.

14. Records. Borrower shall at all times maintain accurate and complete records with respect to each item and category of the Collateral (including, without limitation, a record of all Proceeds) and shall furnish copies of such records to Lender with reasonable promptness from time to time upon Lender's request.

15. Taxes and Charges. Borrower shall pay and discharge all taxes, levies and other impositions levied on any Collateral, except only to the extent that such taxes, levies and other impositions shall not then be due or shall be contested in good faith by appropriate proceedings diligently conducted (provided, such reserves and other provisions as may be required by generally accepted accounting principles have been duly made and recorded on Borrower's financial records). If Borrower shall fail to do so, Lender may (but shall not be obligated to) pay such taxes, levies or impositions for the account of Borrower (without waiving or releasing any obligation or default by Borrower hereunder), and the amount thereof shall be added to the Secured Obligations and shall be payable upon demand with interest accruing thereon at the default rate stated in the 2010-A Term Note.

16. Inspection. Lender and its officers, employees and agents shall have the right at all reasonable times to inspect the Collateral and to examine and make extracts from any books and records of Borrower pertaining to the Collateral owned by it or in its possession. Lender may at any time, without notice to Borrower, verify with any account debtor of Borrower the status of any account payable by such account debtor. Borrower from time to time shall execute and deliver such instruments and take all such action as Lender may reasonably request in order to effectuate the provisions of this Section 16.

17. Preservation and Protection of Security Interest. Borrower shall diligently preserve and protect Lender's security interest in the Collateral and shall, at its expense, cause such security interest in the Collateral to be perfected and continue perfected so long as the Secured Obligations or any portion thereof are outstanding and unpaid or Lender is obligated to advance funds to Borrower under the 2010-A Term Note (including, without limitation, by means of the delivery of all instruments, documents of title and securities to Lender with endorsements and documents of transfer satisfactory to Lender), and for such purposes, Borrower shall from time to time at Lender's request and at its expense file or record, or cause to be filed or recorded, such instruments, documents and notices (including, without limitation, financing statements and continuation statements) as Lender may deem necessary or advisable from time to time to perfect and continue perfection of such security interests. Borrower shall do all such other acts and things and shall execute and deliver all such other instruments and documents (including, without limitation, further security agreements, pledge agreements, pledges, endorsements, assignments and notices) as Lender may deem necessary or advisable from time to time to perfect and preserve the priority of Lender's security interest in the Collateral, as a perfected security interest in the Collateral, prior to the rights of any other secured party or lien creditor, except with respect to liens securing the Seller Notes and liens which are accorded priority by statute. Borrower will at its expense, at any time and from time to time, promptly execute and deliver all further instruments and documents and take all further action that may be necessary or desirable or that Lender may reasonably request in order to effect the purposes of this Agreement, including, without limitation: (A) marking conspicuously each chattel paper included in the Accounts and each License and related contract and, at the request of Lender, each of its records pertaining to the Collateral with a legend, in form and substance satisfactory to Lender, indicating that such chattel paper, License or related contract, or Collateral is subject to the security interest created hereby, (B) if any Receivable shall be evidenced by a promissory note or other instrument or chattel paper, delivering and pledging to Lender hereunder any such note, instrument or chattel paper duly endorsed and accompanied by executed instruments of transfer or assignment, all in form and substance satisfactory to Lender, (C) executing and filing (to the extent, if any, that Borrower's signature is required thereon) or authenticating the filing of, such financing or continuation statements, or amendments thereto, as may be necessary or desirable or that Lender may request in order to perfect and preserve the security interest purported to be created hereby, (D) furnishing to Lender from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Lender may reasonably request, all in reasonable detail, and (E) taking all actions required by any applicable law in any relevant UCC jurisdiction or by other law as applicable in any foreign jurisdiction. Lender, and its officers, employees and authorized agents, or any of them, are hereby irrevocably appointed the attorneys-in-fact of Borrower to do, at Borrower's expense, all acts and things which Lender may deem necessary or advisable to preserve, perfect and continue perfected Lender's security interest in the Collateral (including,

without limitation, the signing of financing, continuation or other similar statements and notices on behalf of Borrower), which appointment is irrevocable and coupled with an interest.

18. Federal Claims. Borrower shall notify Lender of any Collateral which constitutes a claim against the United States government or any instrumentality or agency thereof, the assignment of which claim is governed by federal law. Upon the request of Lender, Borrower shall at its expense take all actions required to comply, to Lender's satisfaction, with the Assignment of Claims Act of 1940, as amended, or any similar applicable law with respect to any such Collateral.

19. Remedies on Default. If any one or more of the Events of Default shall occur and be continuing or shall exist, Lender may (i) to the full extent permitted by law, take possession and control of all or any part of the Collateral and Proceeds thereof and the books and records pertaining thereto, with or without judicial process, and (ii) without demand or notice (and if notice is required by law, after ten days prior written notice), proceed to exercise one or more of the rights and remedies accorded to a secured party by the UCC and otherwise by law or by the terms of the 2010-A Term Note or this Agreement, including, without limitation, the right to accelerate all amounts owing under the 2010-A Term Note. Lender's rights and remedies shall include without limitation the power to (i) sell all or any portion of the Collateral at public or private sale at such place and time and on such terms as Lender may see fit (subject to the requirements of applicable law), (ii) endorse in the name of Borrower any Instrument representing Collateral, (iii) prosecute claims and legal actions regarding Accounts, other Receivables and General Intangibles, (iv) perform any agreement or contract which constitutes Collateral and (v) sell, assign, license, sublicense or otherwise dispose of, all right, title and interest in and to any General Intangibles included in the Collateral (including, without limitation, assignments, recordings, registrations and applications therefor in the United States Patent and Trademark Office, the United States Copyright Office or any similar domestic or foreign office or agency) and for the purpose of recording, registering and filing of, or accomplishing any other formality with respect to, the foregoing, execute and deliver any and all agreements, documents, instruments of assignment or other papers necessary or advisable to effect such purpose. Without precluding any other methods of sale, the sale of Collateral shall be deemed to have been made in a commercially reasonable manner if conducted in conformity with reasonable commercial practices of secured lenders disposing of similar property, but in any event, Lender may sell the Collateral on such terms as Lender may choose without assuming any credit risk and without any obligation to advertise or give notice of any kind not expressly required under this Agreement, by the UCC or otherwise. All of the rights and remedies of Lender under this Agreement shall be cumulative and not exclusive of other rights and remedies which it otherwise would have, whether under the 2010-A Term Note, the UCC or otherwise. After the occurrence of an Event of Default, promptly upon the request of Lender, Borrower shall assemble so much of the Collateral (including, without limitation, all books and records relating thereto) in its possession as is capable of physical delivery and make the same available to Lender at such locations designated by Lender reasonably convenient to both parties and shall permit Lender, or Lender's representatives and agents, to enter any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral and to remove all or any part of the Collateral. The right of Lender to have the Collateral assembled and made available to it is of the essence of this Agreement, and Lender may, at its election, enforce such right by a bill in equity for injunctive

relief for specific performance. Lender shall not be under any obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of all or any of the Secured Obligations.

20. License of General Intangibles. For purposes of enabling Lender to exercise its rights and remedies hereunder, at the Lender's request following the occurrence of an Event of Default, Borrower hereby grants to Lender an irrevocable, nonexclusive license (exercisable without payment of any royalty or other compensation to Borrower) to use, assign, license or sublicense any of Borrower's General Intangibles, wherever the same may be located, including in such license reasonable access to all media in which any of the General Intangibles may be recorded or stored and to all computer programs used for the compilation or printout thereof; provided, Lender shall comply with all reasonable quality control standards and trademark use requirements of Borrower. No agreements hereafter acquired or agreed to or entered into by Borrower shall prohibit, restrict or impair the rights granted to Lender hereunder. Notwithstanding the foregoing, Lender shall have no obligations or liabilities regarding any or all of Borrower's General Intangibles by reason of, or arising out of, this Agreement.

21. Application of Proceeds. Any Collateral or Proceeds of the Collateral held, received or realized upon at any time by Lender (except, when no Event of Default has occurred and continues or exists, such moneys payable to Borrower under insurance policies which Borrower may use to repair or replace Collateral pursuant to Section 12 hereof) shall be applied as follows:

(a) First, to reimburse Lender for expenses and fees incurred for which Borrower is obligated to pay Lender under and in accordance with the 2010-A Term Note, this Agreement and the other collateral agreements (including, without limitation, reasonable attorneys' fees and other legal expenses);

(b) Second, the satisfaction of all other Secured Obligations; and

(c) Third, the balance, if any, to Borrower or as otherwise required by law.

If the Proceeds of the Collateral together with the proceeds of any other collateral granted to Lender by Borrower to secure the Secured Obligations, and of any sales or other dispositions thereof, shall be insufficient to fully discharge and satisfy the Secured Obligations, Borrower shall be liable for the deficiency, and if a surplus results after lawful application of such proceeds, Borrower shall be entitled to any such surplus.

22. Bank Accounts. On and after the date of this Agreement, at the request of Lender, Borrower shall execute and deliver to Lender a depository account control agreement or blocked account agreement, in form and substance reasonably satisfactory to Lender and accompanied by an appropriate executed acknowledgment, with respect to each bank or other financial institution where Borrower maintains accounts. Lender shall have complete dominion and control over each such account and all funds deposited therein and, upon notice, Lender may require Borrower to maintain separate Data Pool Revenue accounts; provided, so long as no Event of Default shall have occurred and be continuing, Lender shall not withdraw any funds from such accounts and Borrower shall be entitled to withdraw any and all funds from such accounts for

any purposes related to the conduct of its business in the ordinary course and not otherwise prohibited under the 2010-A Term Note (and the depositary or blocked account shall so provide).

23. Continuing Validity of Obligations.

(a) The agreements and obligations of Borrower hereunder are continuing agreements and obligations and are absolute and unconditional irrespective of the genuineness, validity or enforceability of any of the 2010-A Term Note or any other instrument or instruments now or hereafter evidencing the Secured Obligations or any part thereof or of the 2010-A Term Note, this Agreement or any other agreement or agreements now or hereafter entered into by Lender and Borrower pursuant to which the Secured Obligations or any part thereof is issued or of any other circumstance which might otherwise constitute a legal or equitable discharge of such agreements and obligations other than payment in full of the Secured Obligations and termination of Lender's commitment to lend to Borrower.

(b) Without limitation upon the foregoing, such agreements and obligations shall continue in full force and effect as long as the Secured Obligations or any part thereof remains outstanding and unpaid or any commitment of Lender to lend to Borrower has not been terminated (whether any sums payable to Lender under the 2010-A Term Note are outstanding) and shall remain in full force and effect without regard to and shall not be released, discharged or in any way affected by (i) any renewal, refinancing or refunding of the Secured Obligations in whole or in part, (ii) any extension of the time of payment of any of the 2010-A Term Note or other instrument or instruments now or hereafter evidencing the Secured Obligations or any part thereof, (iii) any compromise or settlement with respect to the Secured Obligations or any part thereof, or any forbearance or indulgence extended to Borrower, (iv) any amendment to or modification of the terms of any of the 2010-A Term Note or other instrument or instruments now or hereafter evidencing the Secured Obligations or any part thereof or of the 2010-A Term Note or any other agreement or agreements now or hereafter entered into by Lender and Borrower pursuant to which the Secured Obligations or any part thereof is issued or secured, (v) any substitution, exchange or release of, or failure to preserve, perfect or protect, or other dealing in respect of, the Collateral or any other property or any security for the payment of the Secured Obligations or any part thereof, (vi) any bankruptcy, insolvency, arrangement, composition, assignment for the benefit of creditors or similar proceeding commenced by or against Borrower, or (vii) any other matter or thing whatsoever whereby the agreements and obligations of Borrower hereunder would or might otherwise be released or discharged other than payment in full of the Secured Obligations and termination of Lender's commitment to lend to Borrower. Borrower hereby waives notice of the acceptance of this Agreement by Lender.

(c) To the extent that Borrower makes a payment or payments to Lender or Lender receives any payment or proceeds of the Collateral, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to Borrower or a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause of action, then, to the extent of such payment or proceeds, the Secured Obligations or portion thereof intended to be satisfied and this Agreement shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by such party.

24. Defeasance. At such time as Borrower may no longer borrow funds under the 2010-A Term Note and upon payment in full of the Secured Obligations, this Agreement shall terminate and be of no further force and effect (except for the provisions of Sections 23, 25 and 27 hereof which shall survive), and in such event Lender shall, at Borrower's expense and without recourse, representation or warranty, redeliver and reassign to Borrower the Collateral and take all action necessary to terminate Lender's security interest in the Collateral. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

25. Indemnification and Expenses. BORROWER SHALL INDEMNIFY AND HOLD HARMLESS LENDER FROM AND AGAINST ANY AND ALL CLAIMS AND LOSSES ARISING OUT OF OR ATTRIBUTABLE TO THIS AGREEMENT AND THE GRANTING TO LENDER OF A SECURITY INTEREST AND LIEN IN THE COLLATERAL HEREUNDER, EXCEPT CLAIMS AND LOSSES ARISING FROM LENDER'S BREACH HEREOF OR LENDER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. Borrower shall pay Lender on demand the amount of any out-of-pocket expenses (including, without limitation, reasonable attorneys' fees and other legal expenses) incurred by Lender in connection with the enforcement of this Agreement, the 2010-A Term Note and as otherwise provided in this Agreement, with interest accruing thereon at the rate stated in the 2010-A Term Note.

26. Specific Performance. In addition to all other rights and remedies granted to Lender in this Agreement, the 2010-A Term Note and the other collateral agreements, Lender shall be entitled to specific performance and injunctive and other equitable relief, and Borrower waives any requirement for the securing or posting of any bond or other security in connection with the obtaining of any such specific performance and injunctive or other equitable relief.

27. Amendments, Waivers, Notices, etc.

(a) The provisions of this Agreement may be amended, modified and waived, but only in writing by Borrower and Lender.

(b) All notices and other communications hereunder shall be made as set forth in the 2010-A Term Note.

(c) Borrower hereby acknowledges that Munsch Hardt Kopf & Harr, P.C., has represented Lender in connection with the negotiation of this Agreement and represents only Lender, and not Borrower nor any officer, director or shareholder thereof or therein, in connection with the negotiation of this Agreement. Borrower further acknowledges that it is represented by separate counsel or, if not, has chosen to forego such representation without reliance on Munsch Hardt Kopf & Harr, P.C.

(d) This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and either of the parties hereto may execute this Agreement by signing any such counterpart.
