DESIGN PATENT ASSIGNMENT

This assignment made on the dates below by Margaret Weiser of Chatsworth, California 91311 ("Assignor") to Exhart Environmental Systems, Inc., having a place of business at 20364 Plummer Street, Chatsworth, California 91311 ("Assignee");

WHEREAS, Assignor has invented a new, original, and ornamental design entitled Ladybug Night Light Ultrasonic Pest Repeller, for which a United States Design Patent application will be filed, further identified by Cislo & Thomas' Docket No. 10-23950 (Design Patent Application);

WHEREAS, Assignor believes herself to be the original, first, and sole inventor of the Design(s) disclosed and claimed in said Design Patent Application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment her entire right, title and interest in and to said Design(s) and said Design Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns and transfers to Assignee her entire right, title and interest in and to said Design(s), and said Design Patent Application for said Design(s) in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, she and her legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or

desirable for obtaining, sustaining, reissuing or enforcing said Design Patent Application in the United States and throughout the world for said Design(s), and for perfecting, recording or maintaining the title of Assignee, its successors and assigns to said Design(s), and said Design Patent Application for said Design(s) in the United States and throughout the world.

Assignor represents and warrants that she has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Letters Patent granted for said Design(s), whether on said Design Patent Application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of her entire interest in said Design(s).

IN WITNESS WHEREOF, Assignor has executed this Assignment on the dates first above written and as set forth below.
