ASSIGNMENT

WHEREAS, I, Lieping Chen, ASSIGNOR, citizen of the United States of America, residing at 115 Sagewood Court, Sparks Glencoe, Maryland 21152, am the inventor of the invention in METHODS OF MODULATING IMMUNE FUNCTION for which an international application for patent has been filed under the Patent Cooperation Treaty,

- which is identified by Jones Day docket no. 12778-003-228
- which was filed on August 13, 2010, International Application No. PC1/US2010/045479

and WHEREAS, The Johns Hopkins University, ASSIGNEE, having an office for the transaction of business at 3400 N. Charles Street, Baltimore, Maryland 21218, is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said international application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, my entire right, title and interest in, to and under the said invention, and the said international application and all national stage applications in the United States and in countries foreign to the United States, and all divisions, renewals and continuations thereof, and all patents which may be granted thereon in the United States and any country or countries foreign to the United States, and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said international and national stage applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my signature.

Date Oct. 8, \_\_\_\_\_, 2010  L.S.
