ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned

Channellock, Inc.

declares that it is a corporation of the State of Pennsylvania, hereinafter called "Assignor", having a place of business at

1306 South Main Street
Meadville, PA 16335;

and that it is the assignee of the entire right, title and interest in U.S. Serial No. 11/609,021, filed December 11, 2006, now U.S. Patent 7,743,686, by assignment recorded January 4, 2007, under **Reel 018709; Frame 0494**; and

hereby sells, assigns and transfers nunc pro tunc effective January 4, 2007 to:

Channellock, Inc.

a corporation of the State of Delaware, hereafter called the "Assignee", having a place of business at

103 Foulk Road
Wilmington, DE 19803;

its successors, assigns and legal representatives, the entire right, title and interest for the United States and worldwide, in and to any and all improvements which are described and claimed in application U.S. serial number 11/609,021, filed December 11, 2006, now U.S. 7,743,686;

entitled: **AIR BRAKE SLACK CHECK TOOL**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States on any of said improvements, and in and to all original and reissued patents which have been or shall be issued in the United States;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors and legal

representatives; and

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

The undersigned further declares that all statements made herein of my (our) own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
