Case No. IP-0617**ASSIGNMENT**

For good and valuable consideration paid to me, receipt of which is hereby acknowledged, I:

John Vandermey residing at 46 Grist Mill Drive, Georgetown, Ontario, citizen of Canada;

do hereby sell, assign, and set over, an undivided fifty percent (50%) interest to each of the following:

MDS Analytical Technologies, a business unit of MDS Inc.

doing business through its Sciex Division of 71 Four Valley Drive, Concord, Ontario, Canada L4K 4V8
and

Applied Biosystems (Canada) Limited

having a place of business at Brookfield Place, 181 Bay Street, Suite 1800, Box 754, Toronto, Ontario,
Canada M5J 2T9

(hereinafter "Assignee"), their successors, legal representatives and assigns my entire right, title, and interest in and to any and all of my inventions and discoveries entitled:

Apparatus for Measuring RF Voltage from a Quadrupole in a Mass Spectrometer

as described and/or claimed in my United States provisional patent application subsequently assigned Serial Number 61/250,142, and filing date of October 9, 2009 by the United States Patent and Trademark Office; in and to the right to file a nonprovisional patent applications in the name of Assignee, its designee, my name, or in any other name or names, on the aforesaid inventions and discoveries in any or all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified United States provisional patent application under the International Convention for the Protection of Industrial Property, under the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models, and under any other international arrangement to which the United States now is or hereafter becomes a signatory; in and to any and all applications for Letters Patent, and any and all Letters Patent that issue on any of the aforesaid nonprovisional applications, and in and to any and all divisions, continuations, and continuations-in-part of any and all of said nonprovisional applications, and any and all reissues, renewals and extensions of any of said Letters Patent, such that the same right, title and interest to be held and enjoyed by Assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patent therefor may be granted, shall be as full and complete as that that would have been held and enjoyed by me if this assignment and sale had not been made.

I further hereby covenant and agree, for the same consideration, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with said invention, or said application for Letters Patent, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable to sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

I hereby authorize Assignee to insert in this instrument the serial number and filing date of said provisional application when officially notified thereof.

SIGNED this 25 day of NOV, 2009, at CONCORD, Ontario, Canada.

Witness

John Vanderney
