**ASSIGNMENT**

WHEREAS:

I, **Richard Varner**.....residing at 6455 Saddleback Avenue, Longmont, CO 80504  
I, **Derek Johnson** .....residing at 14656 W. Byers Place, Golden, CO 80401

(herein called "ASSIGNOR"), am the inventor of the invention entitled **FOAM-BACKED, HOLLOW ARTICLES MADE BY COLD ROTATIONAL MOLDING**, for which I have executed an application for a Patent of the United States, filed **July 30, 2010**, Serial No. **12/847,336**;

AND WHEREAS, **Fusion Specialties, Inc.** (herein called "ASSIGNEE"), an entity organized and existing under the laws of the State of Delaware, having a principal place of business at 2400 Industrial Lane, Broomfield, CO 80020 is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said application;

NOW, THEREFORE, in consideration of my contractual and other legal obligations, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, a said ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, my entire right, title and interest in, to and under the said invention, and the said United States Application and all divisions, renewals, continuations and subsequent applications thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States; together with the right to file such applications and the right to claim for the same the priority of said patent applications listed herein and applications thereof and therefrom under The International Union for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application and applications thereof and therefrom is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said
