**ASSIGNMENT**

WHEREAS, RONNIE Z. BOCHNER (hereinafter "BOCHNER"), ANDREW LEWIS WRIGHT (hereinafter "WRIGHT"), MICHAEL STEPHEN ROZEWICZ (hereinafter "ROZEWICZ") and KRIS DOUGLAS EAGER (hereinafter "EAGER") have collaborated to invent a new and original DEVICE FOR FACILITATING MEDICAL EXAMINATION, for which an international application was filed on February 13, 2004 as International Application Serial No. PCT/US2004/004431;

WHEREAS, ROZEWICZ and EAGER have assigned their entire right, title and interest in and for the United States and all other countries in and to the invention, said application and any and all applications for patents filed in this or any foreign countries for the invention or improvements thereof, including all priority rights, and any and all patents which may be granted in foreign countries thereon or therefrom (collectively referred to hereinafter as "PATENT PROPERTIES"), to TEKNA, Inc., a corporation organized and existing under the laws of the State of Michigan and having a place of business at 6710 Quality Way, Portage, Michigan 48002 (hereinafter "TEKNA"); and

WHEREAS, BOCHNER is desirous of acquiring TEKNA'S entire right, title and interest in and to said PATENT PROPERTIES;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, TEKNA hereby sells, assigns and sets over to BOCHNER its entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid application, all original, divisional, continuation, continuation-in-part, substitute or reissue applications, and any national phase applications corresponding thereto, including, but not limited to, national phase applications filed in the United States and Canada, and patents applied for or granted thereon or therefrom in the United States of America and all other countries together with any and all priority rights relating thereto; and the undersigned for it and its legal representatives and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all original, divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments thereof to BOCHNER or his assigns, to communicate to BOCHNER or his legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid BOCHNER, his successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by BOCHNER or his assigns.
