Joint

ASSIGNMENT

WHEREAS, WE, J.P. Leon, currently residing in Marina del Rey, California; Richard Stables, currently residing in Venice, California; Daniel David Farino, currently residing in Santa Monica, California; and Geoffrey Charles Begen, currently residing in Lake Forest, California, have invented certain new and useful improvements disclosed in an application for United States Letters Patent entitled: Computer-based value-bearing item customization security, application Serial No. 10/994,768, filed on November 22, 2004

AND WHEREAS Stamps.com Inc., a Delaware Corporation, having a place of business at 12959 Coral Tree Place, Los Angeles, California 90066-7020 (hereafter, together with any successors, legal representatives or assigns thereof, called "ASSIGNEE") wants to acquire the entire right, title and interest in and to said improvements and application.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, and transferred and set over, and do hereby sell, assign, transfer and set over to ASSIGNEE the entire right, title and interest in and to said improvements, and said application and all divisions and continuations thereof, and all United States Letters Patents which may be granted thereon and all reissues, reexaminations and extensions thereof, and all priority rights under all available U.S. laws, and under all available International Agreements, Treaties and Conventions, for the protection of intellectual property in its various forms in every participating country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all continuations, divisions, extensions, renewals, substitutes, and reissues thereof) granted for said improvements in any foreign countries; and we hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to ASSIGNEE in accordance with the terms of this Assignment;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to ASSIGNEE any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid ASSIGNEE to obtain and enforce proper patent protection for said improvements in all countries.

IN WITNESS WHEREOF, we have hereunto signed our names on the day and year set forth below.
