ASSIGNMENT OF PATENTS

WHEREAS, ARMATEC GMBH & CIE. KG, having an address at HEILWIGSTRASSE 33, 20249 HAMBURG, GERMANY (hereafter referred to herein as the "Assignor"), has been assigned the entire rights, titles and interests, for the patent and patent applications listed in attached Schedule "A" and the inventions described therein, for the United States of America, its territories and possessions, and for all foreign countries, including all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, including any U.S. or foreign patents or patent applications claiming priority from said patent and patent applications listed in attached Schedule "A" (referred to collectively as the "Assigned Patents"), by Heddies Andresen, Jr. of Quickborn, Germany (the "Inventor").

WHEREAS, NATIONAL PAINTBALL SUPPLY, INC., a Delaware corporation, having a principal place of business at 570 Mantua Boulevard, Sewell, New Jersey 08080, United States of America, (hereafter referred to as the "Assignee"), is desirous of acquiring the entire rights, titles and interests in said inventions and said Assigned Patents and rights, as well as any choses in action, for the United States of America, its territories and possessions, and for all foreign countries.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable consideration, receipt of which is acknowledged by the Assignor, intending to be legally bound, does hereby sell, assign and transfer to the Assignee and Assignee's legal representatives the entire rights, titles and interests, for the United States of America, its territories and possessions, and for all foreign countries, in said inventions and said Assigned Patents and rights, including all choses in action, as well as the right to sue for any past, present or future infringements thereof, and the right to collect damages for any past, present or future infringements thereof.

It is agreed that the Assignor and the Inventor shall be legally bound, upon request of the Assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the inventions in the United States and all foreign countries in the name of the Assignee, and to execute all instruments proper to carry out the intent of this instrument.

The rights and property herein conveyed by the Assignor are free and clear of any encumbrance.
