ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I,

Chetan Kapoor	Austin	Texas
---------------	--------	-------

have sold, assigned and transferred, and do hereby sell, assign and transfer unto Agile Planet, Inc., a corporation of the State of Texas, having its principal office at 3925 West Braker Lane, ATII-3rd Floor, Austin, TX 78759, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in:

Method and Apparatus for Integrated Simulation

described, illustrated and claimed in an Application for Patent of the United States of America executed by me of even date herewith, together with the entire right, title and interest in and to said Application, and in and to Letters Patent which may be issued upon any Application for Letters Patent based on said Application, and upon any division, extension, continuation, or reissue of any such Application.

I hereby also sell, assign and transfer unto said Agile Planet, Inc., the entire right, title and interest in and to said invention, and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries, and I further authorize said Agile Planet, Inc., to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner for Patents of the United States of America to issue Letters Patent that may result from the timely filing of an Application for Letters Patent based on the aforesaid Application, as well as any division, extension, continuation or reissue of any such Application, to said Agile Planet, Inc., for the sole use and behoof of said Agile Planet, Inc., its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to said Agile Planet, Inc.

I agree that, when requested, I will, without charge to Agile Planet, Inc., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Agile Planet, Inc., its successors, assigns and legal representatives or nominees. I covenant with said Agile Planet, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
