ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Eidos Display, LLC, a limited liability company formed under the laws of the State of Delaware (hereinafter "Assignor"), is the owner of rights to the patents listed on Exhibit A attached hereto (the "Patents").

WHEREAS, Kamdes IP Holding, LLC, a Delaware limited liability company (hereinafter "Assignee") is acquiring Assignor's entire right, title, and interest in, to, and under said Patents, as well as their foreign counterparts, subject to the terms, conditions, and continuing obligations of a Patent Assignment Agreement (the "Agreement").

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over to Assignee, Assignor's entire right, title, and ownership interest in the Patents, and any inventions claimed in said Patents, any continuations, continuations-in-part, divisions, extensions, amendments, conversions, renewals, restorations, or any reissue or reissues of said Patents already granted and which may be granted, any certificates of reexamination already granted and which may be granted, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Patents are or may be granted, reissued, or extended as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made; together with all claims for damages by reason of past infringement of said Patents, with the right to sue for, and collect the same for its own use and behalf, and for the use and behalf of its successors, assigns, or other legal representatives.

And, Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patents of the United States on said inventions to Kamdes IP Holding, LLC as assignee of Assignor's entire interest, and hereby covenants that Assignor has full right to convey Assignor's entire interest herein assigned, and that, except, as otherwise provided between the parties, Assignor has not executed, and will not execute, any agreements in conflict therewith.

IN WITNESS WHEREOF, the parties, by their duly authorized representatives, have executed this Assignment.
