Sean E. Monahan  
1022 Pennsylvania Avenue  
Franklinville, NJ 08322

paid by Quickie Manufacturing Corporation (hereinafter referred to as "Assignee"), a New Jersey corporation having its principal place of business at:

1150 Taylors Lane  
Cinnaminson, NJ 08077

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest:

(1) in and to inventions entitled "SCRUB BRUSH" and "CLEANING DEVICE" for which we have executed United States provisional patent application, Serial No. 61/314,624, filed March 17, 2010 (Atty. File No. QUK-129P) and United States design patent application, Serial No. 29/357,923, filed March 19, 2010 (Atty. File No. QUK-129D), respectively;

(2) in and to said United States provisional and design patent applications, all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of Assignee with a claim to priority based on said United States design patent application.

We hereby agree that we will, upon request of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.
