ASSIGNMENT

WHEREAS, Gerald P. Schoenhals, residing at 23650 Road BC, Archbold, Ohio 43502, and Joel Alberda, residing at 10029 Black Street, Leo, Indiana 46765 (each an "Assignor," and together the "Assignors"), have created and invented a new design for a chair, for which a United States Design Patent Application was executed on September 27, 2010.

WHEREAS, Sauder Manufacturing, Inc., a corporation of the state of Ohio, having a place of business at 930 W. Barre Rd., Archbold, Ohio 43502 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said design and in and to any Design Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors hereby sell, assign, and transfer unto Assignee the full and exclusive right, title and interest to the design in the United States and in all foreign countries, including all intellectual property rights embodied therein, including without limitation the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention.

Assignors hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Patents, when granted, to Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and benefit of Assignee, its successors and assigns.

Assignors hereby authorize and request Assignee to fill in the following blanks specifying the United States Serial No. and filing date for the above-identified application:

U.S. Serial No. 29/375,779
Filed September 27, 2010

FURTHER, Assignors agree to communicate to Assignee or its representatives any facts known to Assignors respecting said design, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Patents to be issued to Assignee or to cause any intellectual property rights in the design to be owned by Assignee in full, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the design in the United States and in any and all foreign jurisdictions.

IN WITNESS WHEREOF, we have signed this Assignment as of the date appearing next to our signatures.
