ASSIGNMENT

WHEREAS, new and useful improvements have been made by the undersigned in
"Calcium phosphate particles and hydraulic cements based thereon"

that are the subject of an application for a U.S. Patent, (Application Number
12/990744 filed November 2, 2010), which application is further
identified as Rankin, Hill, Porter & Clark LLP Docket No. LUS- 34080

WHEREAS, Dr.h.c. Robert Mathys Stiftung, a foundation of Switzerland, and having a
place of business at Bischmattstrasse 12, CH-2544 Bettlach, Switzerland hereinafter referred
to as "assignee", is desirous of acquiring all right, title, and interest throughout the world in, to,
and under said improvements and inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and
sufficiency of which are hereby acknowledged, all right, title, and interest, in the United States
and throughout the world, in, to and under said improvements and inventions and all patents,
patent applications, patent rights, and inventor's certificates thereof, therefor, and therein,
including without limitation said application for patent in the United States, all divisions and
continuations thereof, all patents which may be granted thereon, all reissues and extensions
thereof, all right to sue for past infringement thereunder, all patents which may be granted for
said improvements and inventions by states or nations other than the United States, or by
other authority, entity, or organization, and all applications therefor, have been and are hereby
sold, assigned, transferred, and delivered unto assignee, its successors and assign; and it is
covenanted and agreed by the undersigned, and for executors, administrators, and legal
representatives of the undersigned, that at assignee's request any and all applications,
affidavits, assignments, and other instruments will be made, executed, and delivered as may
be necessary, or desirable to secure for or vest in assignee, its successors or assign, any
improvement, inventions, right, title, interest, application, patent, patent right or other right or
property covered by this assignment, and the United States Commissioner of Patents and
Trademarks is hereby requested and authorized to issue any and all United States patents
granted on any of said applications to assignee as owner of the entire right, title, and interest
in, to, and under the same, and appropriately empowered officials of foreign countries are
hereby authorized to issue any letters patent granted on any of said applications to assignee
as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grant the firm of Rankin, Hill, Porter & Clark LLP the power to
insert on this assignment any identification that may be necessary or desirable in order to
comply with the rules of the United States Patent and Trademark Office for recordation of this
document.
