ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do hereby:

SELL, ASSIGN AND TRANSFER to American TieTek, LLC (the "Assignee"), a limited liability company of the State of Texas having its business address at 429 Memory Lane, Marshall, Texas 75672, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements and matters which are disclosed in United States Letters Patent No. 6,828,372, issued on December 7, 2004, and is entitled "Railroad Tie and Method for Making Same" (the "Patent") including any copyrightable works therein, associated therewith or arising out of said improvements and matters;

SUCH PATENT and all utility, divisional, continuing, substitute, renewal, reissue, reexamined and all other related patents or applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original, reexamined and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority; and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue with respect to the filing of any aforementioned application for patent or securing of patents in the United States and countries foreign thereto; including without limitation the right to proceed against any entity for past infringements and to keep and maintain all benefits derived there from;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for such improvements and for vesting title to such improvements in the Assignee;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
