ASSIGNMENT

WHEREAS, I the undersigned, David Barclay residing at 312 South Keystone Street Burbank, California, 91506; and I, Bruce Lanoil, residing at 23930 Mill Valley Road, Valencia, California, 91355 are co-inventors of a new and useful TRANSDUCER GLOVE, Attorney Docket No. PUP0501 for which a Provisional Application for United States Letters Patent was filed on August 8, 2005, having Serial No. 60/706,627; and for which a non-provisional patent application having a title SENSOR GLOVE, having serial number 11/501,547 was filed on 08/08/06, and

WHEREAS, I represent that I have previously assigned my interest in the above described invention to PerformFX LLC ("PFX"), a Californian Corporation, sometimes having a principal place of business located at 23930 Mill Valley Road, Valencia CA 91355 USA on October 1, 2005, which Assignment was recorded at the United States Patent Office on 12/29/2008 at Real/Frame: 022056/0406. At the time of my previous assignment, I was an equal share owner of PerformFX LLC and

WHEREAS, PerformFX LLC ("PFX"), a Californian Corporation, filed a "CERTIFICATE OF CANCELLATION" with the Secretary Of State, State of California on December 7, 2007 file number 200225510024 and ceased doing business in California on December 7, 2007 and since David Barclay, residing at 312 South Keystone Street Burbank, California, 91506; herein after sometimes referred to as the assignee, is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, and any and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued therefor in Canada or the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing.

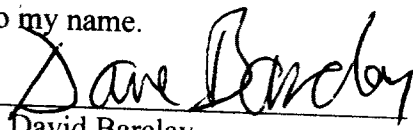

NOW, THEREFORE, in consideration of obligations voluntarily assumed by me and other good and valuable consideration, and for the further consideration of the sum of One Dollar (\$1.00) paid to me, receipt of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto said assignee, his successors and assigns, any title, or interest or ownership that I may continue to have as a result of my previous assignment of the invention and above mentioned patent applications to PerformFX LLC ("PFX") on October 1, 2005, or that I may continue to have as a result of my ownership of any portion, past or present, of PerformFX LLC ("PFX"), to the entire

and exclusive right, title and interest in and to said invention, patent applications and Letters Patents which may be granted or issued for said invention the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith to said assignee, his successors and assigns.

I agree that I will at all times keep said assignee advised of my whereabouts; and I will promptly, upon request of said assignee, and without further compensation, but at no out-of-pocket expense to myself, do all lawful acts, including the execution of all necessary documents and the giving of testimony that, in the opinion of said assignee, his successors and assigns, may be necessary or desirable for obtaining sustaining, or reissuing Canadian and United States and foreign Letters Patent relating to the foregoing assigned rights, and for perfecting, affirming, recording, and maintaining the title of said assignee, his successors and assigns thereto; and that I will generally cooperate to the fullest extent in all matters pertaining to said invention and patent and said assignee's title thereto.

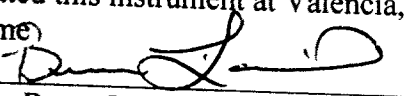

IN WITNESS WHEREOF, I have executed and dated this instrument at Burbank California on the date indicated adjacent to my name.
