IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of : Attorney Docket No. 2009_1680A
Brian Arthur STEINHOBEL et al. : **Confirmation No. 7621**
Serial No. 12/597,108 : Group Art Unit 3724
Filed October 22, 2009 :
RAZOR : **Mail Stop: AMENDMENT**

REQUEST FOR CORRECTION OF ERROR IN RECORDED ASSIGNMENT
DOCUMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a request for correction of an error in the Assignment recorded on October 22, 2009. The error to be corrected in the original document is the name of the Assignee. The Assignee is requesting that the assignment records be corrected to indicate the formal registered name of the Assignee, i.e. Valeo Trade and Invest 3 (Pty) Ltd.

The Assignor (John Christopher De Klerk) has refused repeated requests to execute a new assignment document or to make corrections to the original document. Assignor Brian Arthur Steinhobel has indicated that he would sign a new assignment. As per **MPEP§ 323.01(b)** three affidavits are attached in support of the request for correction. In particular, the first affidavit is presented by Andrew Golding, a director of "Valeo Trade and Invest 3 (Pty) Ltd.

Mr. Golding set forth the details surrounding the error, the discovery of the error, and the fact that the Assignor has refused to sign an Assignment document that will correctly indicate the formal registered name of the Assignee. Note that the address of the Assignee is the identical address indicated on the original Assignment document. Attached to Mr. Golding's affidavit are the following:

-Exhibits A-B: Assignments executed by the inventors assigning International Application No. PCT/ZA07/00057;

-Exhibit C: Copy of the Assignment transferring the U.S. patent application to the present Assignee; and

-Exhibit D: Copy of a Certificate of Incorporation indicating the formal registered name of the Assignee, i.e. Valeo Trade and Invest 3 (Pty) Ltd.

The second affidavit is presented by attorney David Hofmeyr MacGregor indicating that the formal registered name of the present Assignee is Valeo Trade and Invest 3 (Pty) Ltd. The MacGregor affidavit also confirms that the address of the Assignee is the same as that indicated on the original Assignment.

The third affidavit is of Robynne Zevenster stating that the Register of Names of Companies and Close Corporations registered in South Africa indicates that there are seven names that include the word "Valeo". The Zevenster affidavit establishes that Valeo Trade and Invest 3 (Pty) Ltd. is registered and that the name of Valeo Trading (Pty) Ltd. does not exist in the Republic of South Africa.

Accordingly, Applicants request that the Assignment records be corrected to indicate the formal registered name of the present Assignee, i.e. Valeo Trade and Invest 3 (Pty) Ltd.

Respectfully submitted,

Brian Arthur STEINHOBEL et al.

In the matter of:

US Patent Application No. 12/597,108 entitled RAZOR

AFFIDAVIT

I, Andrew Golding, hereby solemnly declare:

1. I am a director of Valeo Trade and Invest 3 (Pty) Ltd a company incorporated in accordance with the company laws of the Republic of South Africa hereinafter referred to as "the Company".
2. I am authorized by the Company to depose to this declaration on behalf of the Company.
3. The Company has been instrumental in the development of a razor which forms the subject of United States patent application No. 12/597,108 entitled "Razor" ("the US patent application").
4. The US patent application, filed as a national phase application on 22 October 2009, is based on international application number PCT/ZA2007/000057 which was filed on 4 September 2007 and which claims priority from South African patent application No. 2007/03439 filed on 26 April 2007.

5. The aforementioned international application was filed in the names of Brian Arthur Steinhobel and John Christopher De Klerk. On 12 January 2010 each inventor executed an assignment of patent application form, in favour of an assignee referred to as Valeo Trading (Pty) Ltd in terms of which the international patent application was assigned to Valeo Trading (Pty) Ltd. Copies of the assignment forms are attached hereto marked Exhibit A and Exhibit B respectively.
6. The assignment of the international patent application in favour of Valeo Trading (Pty) Ltd was not recorded at WIPO.
7. On 20 October 2009 instructions were given to Messrs Wenderoth Lind and Ponack LLP ("the American attorney") to file the US patent application in the name of Valeo Trading (Pty) Ltd – this is consistent with the name of the assignee given in Exhibits A and B. Arising therefrom the aforementioned inventors Brian Arthur Steinhobel and John Christopher De Klerk executed an assignment deed to transfer the US patent application to Valeo Trading (Pty) Ltd. A copy of this assignment deed is attached in Exhibit C.
8. Early in June 2010 it was discovered that in all of the aforementioned transactions the name of the assignee had incorrectly been given as Valeo Trading (Pty) Ltd of c/o Monteray, 1214 Klaasens Road, Bishops Court, 7708, South Africa. The correct name of the assignee is Valeo Trade and Invest 3 (Pty) Ltd of the same address namely c/o Monteray, 1214 Klaasens Road, Bishops Court, 7708, South Africa.

9. I have no idea how the error arose. To the best of my knowledge and belief there is no company with the registered name Valeo Trading (Pty) Ltd and, if there is such a company, I have no knowledge of it and it is not, in any way, entitled to any rights in respect of any of the aforementioned patent applications.
10. I attach a copy of a certificate of incorporation (Exhibit D) issued by the Registrar of Companies which reflects the correct name of the assignee namely Valeo Trade and Invest 3 (Pty) Ltd.
11. When the error came to my attention I instructed my patent agent to take remedial action. Fresh assignment documents were prepared with the assignee correctly named and these were presented to each of the aforementioned inventors Brian Arthur Steinhobel and John Christopher De Klerk. Brian Arthur Steinhobel has indicated that he is quite prepared to sign the fresh documents. However, despite repeated requests, John Christopher De Klerk has refused to sign an assignment document which correctly reflects the name of the assignee as Valeo Trade and Invest 3 (Pty) Ltd.
12. Upon advice which has been given by the American attorney this declaration has been prepared in order to identify the error and to request correction of the name of the assignee.
13. I request the United States Patent and Trade Mark Office to correct the name of the assignee, for the US patent application, so that in the official records the applicant for the US patent application is Valeo Trade and Invest 3 (Pty) Ltd.
