**ASSIGNMENT**

WHEREAS, JOHN C. WALZ, a citizen of the United States of America, residing at 474 Essex Avenue, Bloomfield, New Jersey 07003 (hereinafter "Assignor"), has invented a new and original LIQUID FILLER SYSTEM AND CONTAINER FILLING DEVICE, for which an application for United States Letters Patent was filed on September 24, 2010, as Application No. 12/890,250 and for which a PCT Application was filed on September 24, 2010 as App. No. PCT/US2010/050228, both of which claim the benefit of priority to U.S. Provisional Application No. 61/245,801, filed on September 25, 2009; and

WHEREAS SOLBERN, INC., a Virginia corporation having a place of business at 8 Kulick Road, Fairfield, New Jersey 07004 (hereinafter "Assignee"), is desirous of further memorializing acquisition of Assignor's entire right, title and interest in and to said invention, all of said applications and any patents that may be granted thereon or therefrom;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid applications for patent and the right to claim priority thereto, all original, divisional, continuation, continuation-in-part, provisional, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to Assignee as being the assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee or its assigns.
