## ASSIGNMENT BY INVENTOR

**WHEREAS**, I, John M. Holley, Jr., a citizen of United States of America, residing at 950 Brentwood Avenue, Lawrenceville, GA 30044(US), (now hereafter referred to as Assignor), has invented certain new and useful HANDLE STRUCTURE, for which an application for letters patent of United States was filed on October 12, 2010 as Application No. 12/903,080.

**WHEREAS**, MeadWestvaco Packaging Systems, LLC, a Corporation of the State of Delaware having its principal place of business at 501 South 5<sup>th</sup> Street, Richmond, Virginia (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said application and the inventions therein disclosed and in and to any letters patent that may be obtained therefore and thereon.

**NOW, THEREFORE**, with good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor(s) has sold, assigned, transferred and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application and any application claiming priority therefrom, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended. And for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Utility application for Letters Patent, or any proceeding in connection with any Letters Patent or

applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

**Furthermore**, Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
