PATENT

ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, **MURALI NARASIMHA, LAKE ZURICH, IL; RICHARD C. BURBIDGE, HOOK, GB; AND RAVI KUCHIBHOTLA, GURNEE, IL;** have sold, assigned and transferred, and do hereby sell, assign and transfer, unto **MOTOROLA, INC.**, a corporation of the State of Delaware, having its principal office in Schaumburg, State of Illinois, United States of America, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions entitled **"Method for Preventing Random Access with Outdated System Information"** as described, illustrated in **e-Intelligence Disclosure ID CS36024 (55370)** and as described, illustrated and claimed in the application for Letters Patent of the United States of America entitled **"Preventing Random Access Based on Outdated System Information in a Wireless Communication System"** as described, illustrated in **Motorola Disclosure ID. CS36024** and as described, illustrated and claimed in the following:

- 1.) **U.S. Provisional Application No. 61/074,211, Confirmation No. 8376** filed on **June 20, 2008** entitled **"Method for Preventing Random Access in a Wireless System Based on Outdated System Information"** (Atty. Docket No. **CS36024**); and
- 2.) **U.S. Non-Provisional Application No. 12/483,843, Confirmation No. 1061** filed on **June 12, 2009** entitled **"Preventing Random Access Based on Outdated System Information in a Wireless Communication System"** (Attorney Docket No. **CS36024**), which claims priority to **Provisional Application No. 61/074,211.**

together with the entire right, title and interest in and to the applications, and in and to Letters Patent which may be issued upon any non-provisional applications claiming priority to the provisional application, and upon any divisions, extensions, continuations, reissues or re-examinations thereof.

We hereby also sell, assign and transfer unto **MOTOROLA, INC.**, the entire right, title and interest in and to the invention and in and to applications for Letters Patent

therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and applications for Letters Patent in foreign countries, and we further authorize MOTOROLA, INC. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue any Letters Patents upon the aforesaid application, divisions, extensions, continuations, reissues or re-examinations, to MOTOROLA, INC., for the sole use and benefit of MOTOROLA, INC., its successors, assigns and legal representatives, to the full end of the term for which Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to MOTOROLA, INC.

We agree that, when requested, we will, without charge to MOTOROLA, INC., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in MOTOROLA, INC., its successors, assigns and legal representatives or nominees.

We covenant with MOTOROLA, INC., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
