##### A. COMMON STOCK

In all respects, including but not limited to, dividend, liquidation and voting rights, the Common Stock shall, on a share for share basis, have equal rights. No dividend shall be paid on any shares of Common Stock unless the same dividend is paid on all shares of Common Stock outstanding at the time of such payment. Each holder of shares of Common Stock shall be entitled to one vote for all purposes for each share of Common Stock held.

Except for and subject to those rights expressly granted to the holders of any series of Preferred Stock, and except to the extent otherwise provided in the Corpora-

tion's Articles of Organization or Bylaws or by applicable law, the holders of Common Stock shall have exclusively all rights of stockholders of the Corporation under the Massachusetts Business Corporation Law, including, without limitation, (a) the right to receive dividends, when and as declared by the Board of Directors, out of assets lawfully available therefor, and (b) in the event of any distribution of assets upon a liquidation or otherwise, the right to receive ratably and equally all the assets and funds of the Corporation remaining after the payment to the holders of the Preferred Stock of the specific amounts which they are entitled to receive upon liquidation, as provided in the Corporation's Articles of Organization, as amended.

## **B. PREFERRED STOCK**

The Board of Directors (or a committee thereof) is authorized to establish one or more class or series of Preferred Stock and, to the extent now or hereafter permitted by the laws of the Commonwealth of Massachusetts, to fix and determine the preferences, voting powers, qualifications and special or relative rights or privileges of the Preferred Stock including, but not limited to:

(a) the number of shares to constitute such class or series and the distinguishing designation thereof;

(b) the dividend rate (cumulative or noncumulative) on the shares of such class or series and the preferences, if any, and the special and relative rights of such shares of such class or series as to dividends;

(c) whether or not the shares of such class or series shall be redeemable, and, if redeemable, the price, terms and manner of redemption;

(d) the preferences, if any, and the special and relative rights of the shares of such class or series upon liquidation of the Corporation;

(e) whether or not the shares of such class or series shall be subject to the operation of a sinking or purchase fund and, if so, the terms and provisions of such fund;

(f) whether or not the shares of such class or series shall be convertible into shares of any other class or any other series of the same or any other class of stock of the Corporation and, if so, the conversion price or ratio and other conversion rights;

(g) the conditions under which the shares of such class or series shall have separate voting rights or no voting rights; and

(h) such other designations, preferences and relative, participating optional or other special rights and qualifications, limitations or restrictions of such class or series to the full extent now or hereafter permitted by the laws of the Commonwealth of Massachusetts.

In the event that at any time the Board of Directors (or a committee thereof) shall have established and designated one or more class or series of Preferred Stock consisting of a number of shares less than all of the authorized number of shares of Preferred Stock, the remaining authorized shares of Preferred Stock shall be deemed to be shares of an undesignated series of Preferred Stock until designated by the Board of Directors (or a committee thereof) as being a part of a class or series previously established or a new class or series then being established by the Board of Directors. Notwithstanding the fixing of the number of shares constituting a particular class or series, the Board of Directors (or a committee thereof) may at any time authorize the issuance of additional shares of the same class or series.

**VOTED:** To amend the Certificate of Vote Establishing a Class or Series of Stock for the Corporation's Series C Convertible Preferred Stock, par value \$1.01 per share, to (i) delete "30%" in Section 5(c)(ii) thereof and insert in its stead the words "a majority" and (ii) to insert the words "(and any committee or subcommittee thereof)" after the word "Company" in Sections 9(b) and 9(c) thereof.
