ASSIGNMENT

WHEREAS, Commonwealth Industries, Inc. (hereinafter "ASSIGNOR"), a Delaware corporation having a place of business located at 25825 Science Park Dr., Suite 400, Beachwood, Ohio 44122;

WHEREAS, ASSIGNOR owns all worldwide rights to the inventions, patents and patent applications including but not limited to the patents and patent applications listed on attached Schedule 1 (hereinafter collectively the "Inventions");

AND, WHEREAS, Commonwealth Aluminum Metals, LLC a Delaware limited liability company, having a place of business located at 25825 Science Park Dr., Suite 400, Beachwood, Ohio 44122 (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the Inventions including all patents and patent applications thereto;

NOW, THEREFORE, in view of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR, effective as of May 27, 2010, does hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives,

its entire worldwide right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said Inventions, including but not limited to all patents and patent applications listed on Schedule 1 attached to this Assignment, as well as

any other United States patent application(s) and patent(s), including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on any said patents and /or patent applications listed on Schedule 1 or in whole or in part on said Inventions, as well as

any other foreign applications and patents, including international and regional applications and patents, based in whole or in part on any patents and/or patent applications listed on Schedule 1 or in whole or in part on said Inventions, including divisionals and extensions thereof, of any country which have been or may be granted on any of the aforesaid patents, applications or on said Inventions or any part(s) thereof, as well as

in and to any right to claim priority to any of the aforesaid patents and/or patent applications and/or Inventions;

AND WE hereby authorize and request our agents, Novak, Druce & Quigg LLP, whose address is 1300 I Street, N.W., Suite 1000 West Tower, Washington, D.C. 20005, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number or patent number of said application or patent when known.

AND WE hereby agree for ourselves and our successors and assigns to execute without further consideration any further documents and instruments which may

be necessary, lawful and proper in the prosecution or maintenance of any said above-referenced application or patent or in the preparation or prosecution or maintenance of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said invention or any part(s) thereof, and in and to said several patents or any of them;

AND WE hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to make, use, sell or offer to sell said invention, to anyone except said ASSIGNEE, that prior to the execution of this deed, our right, title and interest in said invention had not been otherwise encumbered, and that we have not and will not execute any instrument in conflict therewith;

AND WE do hereby authorize and request the United States and foreign patent offices to issue any and all letters patent which may be granted upon said United States and foreign applications, or upon said inventions or any part(s) thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, WE have hereunto set our hands and seals.
