**METHOD AND APPARATUS FOR DETERMINING RED BLOOD CELL INDICES OF
A BLOOD SAMPLE UTILIZING THE INTRINSIC PIGMENTATION OF
HEMOGLOBIN CONTAINED WITHIN THE RED BLOOD CELLS**

for which we executed an application for United States Letters Patent which was filed March 20, 2009 as Serial Number 12/408,357, and

WHEREAS, Abbott Point of Care, Inc., a Delaware corporation, having a place of business at 400 College East Road, Princeton, NJ 08540, is desirous of acquiring an interest in said invention, said application and the Letters Patent to be issued therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of ONE DOLLAR to each in hand paid and other good and valuable consideration, the receipt whereof is hereby acknowledged, we have sold, assigned and set over, and do hereby sell, assign and set over to said corporation, its successors or assigns, the entire right, title and interest to and in said invention in the United States and in all countries foreign to the United States, said United States application for Letters Patent therefor and in any non-provisional application that may claim said invention or priority to said application, and any divisional, continuation, and/or continuation-in-part thereof, and the Letters Patent when issued; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the Letters Patent based upon said application to said corporation as the assignees of our entire right, title and interest to and in the same, for the sole use and behoof of said corporation, its successors or assigns.

And we also hereby covenant and agree to sign all proper papers including divisional and other applications for patents and assignments thereof in the United States and application for patents and assignments in all countries foreign to the United States, and to

execute all rightful oaths and to take any other proper action that may in the judgment of the said corporation be necessary for securing thereto full rights to said invention, all of the foregoing to be at the expense of said corporation.
