ASSIGNMENT

1. **WHEREAS**, Hohmann & Barnard, Inc. of Hauppauge, New York, a corporation duly organized and existing under and by virtue of the laws of the State of New York (hereinafter referred to as Assignor), is the owner of the entire right, title, and interest in and to a certain application for letters patent of the United States and the inventions disclosed therein; and

2. **WHEREAS**, MITEK HOLDINGS, INC. of Wilmington, Delaware, a corporation duly organized and existing under and by virtue of the laws of the State of Delaware (hereinafter referred to as Assignee), is desirous of acquiring said right, title, and interest of Assignor;

3. **NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignor's right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing, or reissue application) based in whole or in part on said United States application or in whole or in part on said inventions, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said inventions, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said inventions or any part thereof; including, specifically, without limiting the generality of the foregoing, the United States application listed below.

4. **TO BE HELD AND ENJOYED BY** Assignee, its successors and assigns, to the full ends of the respective terms full for which said patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

5. **AND** Assignor hereby authorized and requests the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said United States patent applications to Assignee, its successors and assigns.

6. **AND** Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue or other applications for patents of any country, that may be deemed necessary by said Assignee, its successors or assigns fully to secure its interest as aforesaid in and to said patent applications or any part thereof, said inventions or any part thereof, and in and to said several patents or any of them.

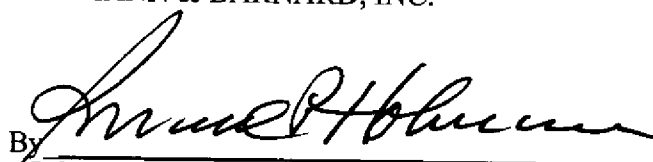

7. **AND** Assignor covenants that Assignor has granted no right or license to make, use or sell said inventions to anyone except said Assignee, that prior to the execution of this deed, Assignor's right, title, and interest in said inventions has not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.

8. THE UNITED STATES PATENT APPLICATION IS AS FOLLOWS:

<u>Serial No.</u>	<u>Filed</u>	<u>Inventor(s)</u>	<u>Title of Invention</u>
11/328,355	01/09/06	Ronald Hohmann, Jr.	Weatherproofing System for Window and Door Installation

9. **IN WITNESS WHEREOF**, Assignor has caused these presents to be executed by its officers thereunto duly authorized and its corporate seal to be affixed this 17 day of November, 2010.
