ASSIGNMENT AND AGREEMENT

For value received, I, Steen Aggerholm, residing at Bjaelkerupvej 100a, 4660 St. Heddinge, Denmark hereby sell, assign, and transfer to **William Cook Europe ApS**, a European corporation, Sandet 6, DK-4632 Bjaeverskov, Denmark, and its successors, assigns, and legal representatives, hereinafter collectively "WCE", and to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "Cook," the entire right, title and interest, for the United States of America, in and to certain inventions related to "BALLOON CATHETER" described in British patent application no. 0920997.4, filed on November 30, 2009, and any and all applications claiming the benefit thereof including the right of priority, and/or described in U.S. Application Serial No. 12/956,521, filed on November 30, 2010, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Cook and WCE, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions. I sell, assign, and transfer this right, title and interest as of the day of filing of the British patent application mentioned above.

I authorize Cook and WCE, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me/us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right Cook and WCE, either jointly or individually, to
