Specification Attached
 Specification Filed: _____
 as Serial No. _____
 Our Ref. No.: P01779-US-00 / 23695.0028

WHEREAS, the above-identified Assignee desires to acquire the entire interest in, to and under the invention, for which, as indicated above, a patent application executed of even date is attached or was filed on the date and assigned the serial number specified above, and in, to and under Letters Patent or similar legal protection to be obtained therefor in the United States and in any and all foreign countries.

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN:
 Be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above-identified inventors hereby sell, assign and transfer to the above-identified Assignee the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in all foreign countries, including Canada, and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries, including Canada, to be obtained for said invention by said application or any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in a foreign country for the full term or terms for which same may be granted.
 Inventors hereby covenant that no assignment, sale, agreement, license or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.
 Inventors further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to inventors and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its designee any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents therefor in any foreign country which may be necessary or desirable to carry out the purposes hereof. This document may be signed in two or more counterparts.

IN WITNESS WHEREOF, we have hereunto set our hand and seal.
