WORLD WIDE , CANADA, UNITED STATES
ASSIGNMENT

WHEREAS John Lamers, 333961 Plank Line, Ingersoll, Ontario Canada N5C 3J8 has invented a certain new and useful apparatus entitled *Corner Sander* for which utility patent applications for Canada under application No: 2,659,044 and United States Letters Patent under application No: 12/406,185 were executed under the above title,

AND WHEREAS Ingersoll Products Inc., whose full post office address is 333961 Plank Line, Ingersoll, Ontario Canada N5C 3J8 has acquired a 100% interest in the right and title for Canada, the United States of America, Europe and all other countries in and to the said invention and in and to any Letters Patent that may be obtained therefore, and in and to said application,

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration the receipt of which is hereby acknowledged, John Lamers by these presents confirm that it has sold assigned and transferred and do hereby sell assign and transfer unto said Ingersoll Products Inc., 100% of interest and right to the said invention in Canada, the United States of America, Europe and all other countries and all interest, right and title in and to any and all Letters patent which may be granted therefore, and all interest, right and title in and to said application, and in and to any divisions, continuations, continuations-in-part and extensions of said application, together with the right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said application for Canada, the United States Letters Patent.

It agrees that it will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries and to vest 100% title thereto to Ingersoll Products Inc. or his successors, assigns and legal representatives or nominees.

It hereby authorize the Canadian and the United States Commissioner of Patents and Trademarks, the British, French and German patent offices, and any others worldwide to issue said Letters Patent to Ingersoll Products Inc., 100% right, title and interest in and to the same for their sole use and benefit and for use and benefit of their respective successors and assigns, to the full end of the term for which Letters patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made.

SIGNED, SEALED AND DELIVERED this 28 Day of October, 2010 at Ingersoll, Ontario, Canada.
