## ASSIGNMENT

WHEREAS, I, **Tahir Ahmed, M.D.** (hereinafter referred to as "**Assignor(s)**"), being the inventor has made a certain new and useful invention as set forth and disclosed in an application for United States Letters Patent entitled **HYPERSULFATED DISACCHARIDE FORMULATIONS**, the application of which was filed on November 23, 2010 as International Patent Application No. PCT/US10/57787 and the application of which was filed on November 24, 2010 as U.S. Patent Application Serial No. 12/953,831 (hereinafter the "Invention");

AND WHEREAS, OPKO Health, Inc, a Delaware corporation having an address of 4400 Biscayne Boulevard, Miami, Florida 33137 (hereinafter referred to as "**Assignee**"), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefore, including but not limited to the aforementioned countries;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, **Assignor(s)** do hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any future utility application which claims priority, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention.

UPON SAID CONSIDERATION, **Assignor(s)** shall not execute any writing or do any act whatsoever conflicting with the terms and conditions of this Assignment, and that **Assignor(s)** will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for or obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any and all proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of **Assignor(s)** and **Assignee**.

The undersigned hereby grant(s) the **Assignee** the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office and any foreign office for recordation of this document.

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States that may be issued for said invention to said **Assignee**, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
