ASSIGNMENT

WHEREAS, Edwards Lifesciences Corporation (hereafter "Assignor"), a Delaware corporation, having an address of One Edwards Way, Irvine, CA 92614, submits that it is the owner of certain U.S. Patents (listed on Table 1 and attached hereto) (hereafter the "Patent Properties") at least by virtue of various Assignments recorded with the Assignment Division of the U.S. Patent and Trademark Office; and

WHEREAS, Edwards Lifesciences LLC (Hereafter "Assignee"), a Delaware corporation, having an address of One Edwards Way, Irvine, CA 92614, desires to acquire all right, title and interest in and to the Patent Properties.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, effective as of November 12th, 2010, all its right, title and interest in and to the Patent Properties, as well as all right in the U.S. to priority, provisionals, continuations, divisions, and continuations-in-part of said Patent Properties, and all reissues and extensions thereof, the same to be held and enjoyed by Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, or legal representatives, to the end of the term or terms for which such Patent Properties may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee. Assignor also will, at the expense of Assignee, testify in any legal proceedings, sign all lawful papers, execute all provisional, divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said Patent Properties in the U.S.

IN WITNESS WHEREOF, the parties have caused this Patent Assignment to be executed on the dates and in the capacities shown below.
