ASSIGNMENT

WHEREAS, Visteon Global Technologies, Inc., a corporation organized and existing under the laws of the State of Michigan and having a place of business at One Village Center Drive, Van Buren Township, Michigan 48111, by virtue of its employment of at least one inventor, is the owner of invention disclosure 83163005, entitled "Staircase Circulator"; and

WHEREAS, Automotive Components Holdings, LLC, a limited liability company organized and existing under the laws of the State of Delaware having a place of business at 17000 Rotunda Drive, Dearborn, Michigan 48120, is desirous of acquiring the entire right, title, and interest in and to such invention and any patents or applications thereon.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

Be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, the aforesaid Visteon Global Technologies, Inc., has sold, assigned, and transferred, and by these presents does hereby sell, assign, and transfer unto said Automotive Components Holdings, LLC, the full and exclusive worldwide right, title, and interest in and to the aforesaid invention disclosure and the invention thereof, including any patent applications filed or patents issuing thereon, the same to be held and enjoyed by said Automotive Components Holdings, LLC, for its own use, and for the use of its successors, assigns, or other legal representatives for as long as any portions of such invention disclosure or invention is not available to the public and to the end of the term or terms of any patents that may be granted thereon, as fully and entirely as the same would have been held and enjoyed by Visteon Global Technologies, Inc., if this Assignment had not been made.

Visteon Global Technologies, Inc., hereby authorizes the aforesaid Automotive Components Holdings, LLC, and its successors to apply for a patent or patents directly in its own name in any country, upon the aforesaid inventions, and Visteon Global Technologies, Inc., also assigns, sells, transfers and sets over unto said Automotive Components Holdings, LLC, and its successors all priority rights.

Visteon Global Technologies, Inc., further covenants to execute all additional instruments and to do all things necessary for carrying out the purpose of this instrument, at the expense of said Automotive Components Holdings, LLC, and its successors.

IN WITNESS WHEREOF, Visteon Global Technologies, Inc., has caused this Assignment to be signed in its corporate name by its duly authorized officer this 23rd day of July, 2010.
