U.S. Department of Energy
Patent Assignment Form

S-102790

Whereas, I David Lee Chichester

have invented certain new and useful improvements in :

Apparatus and Methods for Real-Time Detection of Explosive Devices

*, for which an application for United States Letters Patent has been filed, identified
as U.S. Patent Application 12/622,813 Filed 11/20/2009*

and;

*WHEREAS, the Government of the United States desires to acquire the right,
title, and interest to which I am entitled in and to said invention and in and to any
Letters Patent wherever they may be issued thereon;*

*NOW, THEREFORE, to all whom it may concern, be it known that for and in
consideration of the sum of One Dollar to us in hand paid by the Government of the
United States, and for other good and valuable consideration, the receipt of which is
hereby acknowledged, I by these presents do sell, assign, and transfer unto the said
Government of the United States, as represented by the United States Department of
Energy, and/or its assigns, the right, title, and interest to which I am entitled in and to
the said invention and in and to any and all Letters Patent wherever they may be
granted thereon as well as reissues and extensions of said Letters Patent are or may
be granted, reissued, or extended, as fully and entirely as the same would have been
held or enjoyed by us had this assignment not been made.*

*I agree to make, execute, and deliver unto the Government of the United States,
or to the United States Department of Energy, any and all papers, documents,
affidavits, renewal, divisional and reissue applications, statements, or other instruments
in such usual or other forms, terms and contents as may be required by the United
States Department of Energy, or its duly authorized representative, in or incident to the
prosecution or conduct of any and all applications, before as well as after the issuance
of any Letters thereon, or in the adjustment or settlement of any interferences or other
actions or proceedings that said applications may encounter or in which they may
become involved and I agree that I will encounter or in which they may become
involved and I agree that I will aid the Government of the United States in every way in
protecting the inventions as may be requested by the United States Department of
Energy or its assigns, except that any expenses arising through extending such
assistance will be paid for by proper arrangement with the Government of the United
States.*
