ASSIGNMENT OF INVENTION

WHEREAS, I, Christopher A Sandmeyer, an individual, having a residential address of 1000 Pine Gate Drive #F102A, Spartanburg, South Carolina 29303 have invented certain improvements in an invention entitled:

TRAY DRYER

by and for which a utility patent will be sought.

WHEREAS, Consultex Systems, Inc., having a business address of 2938 Cannons Campground Road, Spartanburg, South Carolina 29349, desires to acquire the entire right, title and interest in the same.

NOW, THEREFORE, for one dollar (\$1) and for good and valuable consideration, the receipt and sufficiency of which is acknowledged, I assign and transfer unto Consultex Systems, Inc., the exclusive right, title and interest in the United States and the world in and to the invention; any patent application filed on the invention; any patent which may issue on the invention; and, for either the application or patent, any renewal, reissue, division, continuation, or continuation-in-part, including all rights to claim priority under all United States domestic laws, International Convention(s) and Treaties in the name of Assignee and do hereby authorize Assignee or its designee to insert here the

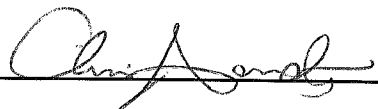

Application No. 12/927,514 *Filing Date* November 17, 2010

in the country United States of America on which a claim for priority will be based; and in and to any Letters Patent that may be issued for the invention in any and all countries.

I bind myself, my heirs, legal representatives, administrators and assigns to properly execute without further consideration, any and all applications, petitions, oaths and assignments, or other papers and instruments, which may be necessary in order to carry into full force and effect this assignment and transfer made or intended to be made.

I do hereby agree to assist Assignee in the prosecution of the application(s) and in any interference, conflict, opposition or litigation which may arise involving the

invention or the patent or patents thereon, and to execute for any and all countries any document relating to applications derived from, corresponding to or equivalent to the above identified application as Assignee may request; and I do hereby authorize Assignee or its designee (or nominee(s)) to insert here any corresponding equivalent Application No. _____ Filing Date _____ in the country _____ to the above Priority application of any country where that country's patent property must be identified and entered hereinabove for recordal of this Assignment. I authorize Assignee or its designee to translate this Assignment into all languages necessary; and I request that any such Letters Patent be issued to Assignee; and consent to the recordal of this Assignment, or a Notarial True Copy thereof, being under covenant not only that I have full power to make the same, but also that such assigned rights are not encumbered by any grant, license, or other right heretofore given.
