AND WHEREAS, SPX Corporation, a Delaware corporation, having an address of 13515 Ballantyne Corporate Place, Charlotte, NC 28277, and **Radio Innovation Sweden AB**, a limited stock company formed under the laws of Sweden, having a registered address of Box 1204, SE-164 28 Kista, Sweden, ("Assignees"), are desirous of acquiring the entire right, title and interest in and to said inventions, and in and to any and all Letters Patents of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over equally unto Assignees, their respective legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions, including the right to claim priority under 35 U.S.C. § 119 and/or § 120 and the right to sue for past infringement, as set forth in the above-mentioned applications, including said applications and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions;

Assignment

UPON SAID CONSIDERATION, Assignor hereby agrees with Assignees that Assignor will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of Assignees, execute such additional assignments and other writings and do such additional acts as Assignees may deem necessary or desirable to perfect Assignees' enjoyment of this grant, and render all necessary assistance in making applications for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patents of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceeding or transaction involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignor and Assignees;

The undersigned hereby grants the firm of BAKER & HOSTETLER LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

AND Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patents of the United States which may be issued for said inventions to Assignees, their respective legal representatives, successors or assigns, as the sole owners of the entire right, title and interest in and to said patents and the inventions covered thereby;

AND the execution date provided below is effective as from April 21, 2008.
