PATENT
REEL: 025504 FRAME: 0972

DECLARATION

I, **John Lynn**, declare the following:

1. I am an attorney at Kirkland & Ellis, LLP of 555 California Street, San Francisco, CA 94104. I am making this Declaration in my capacity as legal advisor to Installshield Co. Inc.
2. This declaration is made and submitted for the purpose of correcting an error made in a previously recorded document at Reel/Frame: 020986/0074 that erroneously affects U.S. patent application number 11/169543, (entitled "Method and system for pre-deployment conflict checking"), (the "Application"). The Application is currently held by Installshield Co. Inc.
3. Pursuant to a patent assignment (the "Assignment") dated April 1, 2008, Rovi Solutions Corporation (under its former name Macrovision Corporation) assigned the Application to Installshield Co. Inc. The Assignment was recorded in the United States Patent and Trademark Office on April 18, 2008 at Reel/Frame: 020828/0001.
4. The Application was erroneously included in a security agreement (the "Security Agreement") dated May 2, 2008, by and between the aforementioned MACROVISION CORPORATION (now Rovi Solutions Corporation), together with APTIV DIGITAL, INC., GEMSTAR DEVELOPMENT CORPORATION, GEMSTAR-TV GUIDE INTERNATIONAL, INC., INDEX SYSTEMS INC, ODS PROPERTIES, INC., STARSIGHT TELECAST, INC., TV GUIDE ONLINE, LLC, and UNITED VIDEO PROPERTIES, INC., each as assignors, and JPMORGAN CHASE BANK, N.A., as assignee. The Security Agreement was recorded in the United States Patent and Trademark Office on May 15, 2008 at Reel/Frame: 020986/0074.
5. The facts set forth above are true and correct to the best of my knowledge, information and belief.

I hereby respectfully request the United States Patent and Trademark Office to remove from the applications assignment records the erroneously recorded Security Agreement.

Declared by:

John Lynn

Date: December 16, 2010
