**ASSIGNMENT**

WHEREAS, we, Paul Omdoll and Scott Collins, have made a new and useful invention for which we are about to make and/or have made for Letters Patent in the United States and/or other jurisdiction that awards Letters Patent or similar rights, which application(s) may be identified as follows:

(A) U.S. Design Patent Application Ser. No. 29/376,379, filed October 6, 2010, and entitled "Handle for Towel Dispenser";

(B) Canadian Design Patent Application Ser. No. 137407, filed October 7, 2010, and entitled "Handle for Towel Dispenser";

(C) Mexican Design Patent Application Ser. No. MX/f/2010/002660, filed October 6, 2010, and entitled "Handle for Towel Dispenser";

(D) Any and all application(s) claiming the benefit of or priority to any of the above enumerated applications, including all divisions, reissues, continuations, reexaminations, inventor's certificates, and extensions therefor filed in the United States or any other country or jurisdiction.

WHEREAS, we, Paul Omdoll and Scott Collins, were at the time the invention was made and are currently under an obligation to sell, assign, and set over unto **The Colman Group, Inc.**, and said assignee's legal representatives, successors and assigns, the entire right and interest in and to the application(s) listed above.

WHEREAS, **The Colman Group, Inc.**, a corporation organized and existing under and by virtue of the laws of the State of Wisconsin and having its principal place of business located at 555 Koopman Lane, Elkhorn, Wisconsin 53121, is desirous of acquiring the entire interest in and to said invention, said application and the Letters Patent to be obtained therefore.

NOW, THEREFORE, for and in consideration of One Dollar and other good and valuable consideration to us in hand paid, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto the said **The Colman Group, Inc.**, and said assignee's legal representative, successors and assigns, the entire right, title and interest in and to any and all applications including the aforesaid application(s), for Letters Patent heretofore and hereafter filed in the United States or any other country and which may be based in whole or in part on said inventions and discoveries, and in and to any and all Letters Patent heretofore or hereafter granted by the United States or any other country and which may be based in whole or in part on said inventions and discoveries, said assignment including the right to file and prosecute any and all such applications and also including the right to sue and recover for any and all such applications and also including the right to sue and recover for any and all infringements of said patents; and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee agreeably with the terms of this assignment.

WE HEREBY AUTHORIZE the law firm of Boyle Fredrickson S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.

UPON SAID CONSIDERATION, we do hereby covenant for ourselves and our heirs, legal representatives and assigns that neither we nor any of our said heirs, legal representatives or assigns have or will execute any instrument or perform any act in conflict herewith and that we or my/our said heirs, legal representatives and assigns will at all times do such acts and execute such papers, without expense to ourselves, as may be necessary or desirable in order to fully protect said inventions and discoveries for the benefit of said assignees, its successors or assigns, and to otherwise carry into full force and effect the text and interest of this assignment.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals.
