Application Serial No. 12/945876

ASSIGNMENT

WHEREAS, I, T. Walley Williams, III, of Belmont, Massachusetts have co-invented certain new and useful improvements disclosed in an application ("said application") for United States Letters Patent entitled: METHOD AND SYSTEM OF AFFIXING COMPRESSION STABILIZED PROSTHETIC SOCKET INTERFACE, application Serial No. 12/945876, filed November 14, 2010.

AND WHEREAS Randall D. Alley, an individual, having a post office address at 1405 Corte De Primavera, Thousand Oaks, California 91360 (hereafter, together with any successors, legal representatives or assigns thereof, called "ASSIGNEE") is also a co-inventor and wants to acquire the entire right, title and interest in and to said improvements, related improvements, said application, and any related applications.

NOW, THEREFORE, in consideration of good and valuable consideration, including \$1.00, the receipt of which is hereby acknowledged, I have sold, assigned, and transferred and set over, and do hereby sell, assign, transfer and set over to ASSIGNEE the entire right, title and interest in and to said improvements, and said application and all divisions and continuations thereof, including any further improvements related to the subject matter of said application, whether or not characterized as a continuation-in-part application, and all United States Letters Patents which may be granted thereon and all reissues, reexaminations and extensions thereof, and all priority rights under all available International Agreements, Treaties and Conventions for the protection of intellectual property in its various forms in every participating country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements and further improvements in any foreign countries, and all patents (including all continuations, divisions, extensions, renewals, substitutes, and reissues thereof) granted for said improvements and further improvements in any foreign countries; and hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements and further improvements to ASSIGNEE in accordance with the terms of this Assignment;

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to ASSIGNEE any facts known to us respecting said improvements and further improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitute and reissue applications, and any other applications directed to said improvements and any further developments make all rightful oaths and generally do everything possible to aid ASSIGNEE to obtain and enforce proper patent protection for said improvements and further improvements in all countries.

IN WITNESS WHEREOF, I have hereunto signed our names on the day and year set forth below.
